A Message from the Superintendent...

This is one of my favorite times of the year. It is a time to reflect on the many things that we are thankful for and a time to celebrate with family and friends. This time of the year, I reflect on the things that mean the most to me. As I think about all of those things this year, our students and staff are at the top of my list. I am also thankful for the community and the support that is given to our schools. Our school district has so much to be proud of.

State report cards were recently released. The district met expectations as a whole. Both schools met state expectations individually as well. These ranking reflect the hard work and dedication that our staff and students put forth each and every day. Our students are performing at or above state averages. There is always room for improvement and we will continue to work on ways to improve our scores and student outcomes. We also continue to work on

student attendance. Students who are present at school each day perform better than students who are absent or tardy. We work hard as a district to ensure that students are in school and present to learn. Both schools send regular attendance reminders to help families see the importance of school attendance. Attendance is part of our state report card.

Student events are once again in full swing. We have both boys' and girls' basketball at all levels underway. Take time some evening and stop in to cheer on our teams. Our wrestling season is also underway. Holiday concerts are coming up as well. John Hustis will be having their concert on December 13th at 6:30 p.m. in the high school gym. The Jr./Sr. high will have their band and choir concert on December 18th at 7:00 p.m.

Again, this is the time of the year to be thankful. I want to thank all of the parents who entrust their children to

us each day. They bring so much joy to all of us. It is amazing to watch the students grow and learn. I want to thank the community for supporting the students and schools. Most of all, I want to thank our students. Each child brings energy and excitement through our doors. Of course there are challenges that we all face, but we work through them together. We work each day to become a more solid and cohesive team. It takes all of us and you to help each child succeed. It is a great day to be a Falcon! Happy Holidays from all of the staff and students in the Hustisford School District!

Sincerely,

Heather Cramer
Superintendent of Schools

Greetings from the Husty FFA Chapter

These first few months of school have kicked off with a great start. Three of our members: Milana (VP), Angel (first year), Tristin (first year) and both advisors, Miss Essock and Fay attended the National FFA Convention in Indianapolis, IN in October. They came back with plenty of good memories, knowledge to share from the workshops they attended and information they received from talking with FFA members from across our county. These members were also able to take a variety of tours including Purdue University, Subaru factory, a shrimp farm and a cavern boat ride.

Earlier in November, our Vice President, Milana, attended a 360 Leadership Conference with Miss Essock. The purpose of this conference was to gain and build upon their leadership abilities, and bring back ideas to strengthen our chapter.

As a chapter we want to thank everyone who participated in our annual fall fruit sale. Your continued support helps keep our chapter financially sound and have the ability to offer educational trips and fun activities for our members. As a reminder, **fruit will be delivered December 12th.**

Congratulations to the following FFA members for their 1st quarter academic honors:

During the week of November 26th we asked all students to participate in the Youth Risk Behavior Survey. This important survey helps the district collect vital data to document for the Greater Watertown Community Health Foundation grant and the Dodge County Coalition that the school is a part of. The sole purpose of having the students complete this survey was to assess student needs in order to provide programming and services.

As the Holiday seasons approach. I would like to wish everyone a joyous time with family and friends. After the students return from their break the 1st Semester will end on January 17th.

John Hustis Elementary Update By Margaret Bell - Principal

The magic of the holiday season is in full swing at John Hustis Elementary! The kids are transforming our halls from images of turkeys and autumn leaves to a winter wonderland. The weather feels like winter as well. Please make sure your child(ren) have all the necessary cold weather gear (snow pants, boots, hats, mittens and a warm coat) to keep them comfortable when they go outside. We have recess every day, so these items are critical to keeping them safe from the cold.

Our first Community Coffee was held in November. It gave us a chance to say thank you to Hustisford for the support you give JHE every day! We enjoyed sharing our school with everyone so much we would like to continue it once a month. Starting in January, we will host Community Coffee on the third Wednesday of the month from 7:45am-8:30am. We will host this in the JHE library. All are welcome to stop in and enjoy coffee and a sweet treat! We hope to see you then!

December finds us busy with many opportunities to learn and celebrate the season.

December 3: Bridging Brighter Smiles

December 11, 12: Holiday Shopping. More information will come home in the near future. Thank you PTC for putting this all together for the kids.

December 13: Winter Concert, 6:30pm at the high school. The kids have been very busy working with Mrs. Wohling, and Mrs. Girten to make this a wonderful, and entertaining, evening!

December 19: Winter Band and Choir Concert, 7pm at the high school. JHE Choir Students sing along with the Jr./Sr. High Choir Students. Thank you Mrs. Wohling and Ms. Hakala for helping our kids create this beautiful evening of holiday music!

December 21: Santa will be here! This is also our last full day of school before winter break.

December 25 - January 1: Winter break

January 2: School resumes

On behalf of all of your John Hustis Elementary Family, we would like to wish you and your family a wonderful holiday season and a happy new year!
