## Monarch Butterflies

Join us on Tuesday March 28, at 6:00 fat Hustisford high School. for this informational session.

Gae Bergmann has been a Master Gardener for nine years and has been raising Monarch butterflies for nearly all of that time. She has raised more than 500 of these butterflies on her Fox Lake property. She has four varieties of milkweed plus a variety of flowers planted to nourish them, which has resulted in her homestead being certified as a Monarch Waystation. She will share the reasons it is essential to begin raising these beautiful insects, the life stages of the butterfly, the procedures to follow for success, why it is necessary to plant milkweed, and how each participant can become more involved.
