An Official Publication of the Hustisford School District

November 2018 Volume XL Issue 5

A Message from the Superintendent...

The following is the report given at the Hustisford School District Annual Meeting held October 8, 2018. The annual meeting is a time for community members to come and hear about how the district is doing moving forward into the coming year. It is a time for community members to see financial information from last year and into the coming year. It is also a time for the district to celebrate what we have to offer. We are truly blessed within our district. We are blessed with a wonderful staff, great students, and a supportive community. The Board of Education and I encourage community members to ask questions and visit our schools. Come find out what we have to offer. We are off to a great start this year!

Superintendent's Annual Report to the Board of Education and Community

Dear School Board Members and Members of the Hustisford School District Community:

I want to start out this evening by saying thank you for the opportunity provided to me to serve as the superintendent of schools for the Hustisford School District. I am humbled and honored to work for this community. The unwavering dedication to your school and most of all our students is what makes this community unique. I have the privilege each day to work with individuals who are dedicated to our students. Thank you to the Board of Education for supporting the great work being done by our staff and supporting the education of our students, your support is noted and appreciated.

Our school year has started with many different initiatives being worked on. Some of these initiatives have caused challenges for us. Although we know that we will face challenges throughout the year, we will work together to meet these challenges and always make decisions with our students in mind. Although these challenges arise, they will be met with many successes that we, as a district, can celebrate. I am excited about what is happening in this district and the challenges and celebrations that we have.

I want to take a moment to outline initiatives that the board and community have invested in that have had or will have a long-lasting impact on our students.

There have been several curricular changes that have occurred this year. The Sr. High is offering two additional AP classes, AP Biology and AP Human Geography. The AP Calculus class is broadcasted live to Horicon and Dodgeford daily. Offering these classes puts our students in position to gain more college credit prior to leaving our doors. We purchased new Social Studies Curriculum K-12. This purchase allows our students and teachers access to the most up-to-date curriculum published. We purchased new curriculum for several agriculture classes as well. The board voted to add a full-time agriculture teacher and enhance our program here in Hustisford. The decision allows our students additional electives within both agriculture and science. We added new math offerings for students as well, helping to better prepare students for post-secondary math. This year there were new business classes offered as well, enhanc-

ing the opportunities for students to explore options in the area of marketing and technology. We made changes at the Jr. High as well, implementing a new writing curriculum across all grade levels. They are utilizing Lucy Caulkin's units of writing which is what is used at JHE and provides a consistent approach to teaching from K-8 grade. Jr. High students were also allowed to take exploratory classes in agriculture this year. All of these changes are for the students. The Elementary Students not only received new social studies this year, their math was updated to the latest edition, and a new reading curriculum was implemented. The elementary school now teaches both reading and writing using Lucy Caulkins. This provides continuity for students and a rigorous curriculum that prepares students for the next challenges. Finally, the elementary school is implementing The Zones of Regulation. This is a social emotional framework to help foster self-regulation and emotional control. There is a lot going on in our schools. Our teachers are being faced with new challenges, but our students are getting the most up-to-date rigor in curriculum that will help them to be successful into the future.

The district also made a commitment to children and hired a new school psychologist this year. Brining on a full-time staff member in this position provide for the social emotional support of children as well as support in both regular and special education.

We are providing more opportunities for students both academically and athletically. Our Cooperative Agreement programs continue to be successful. Our district teams are also continuing to grow and provide challenges to others within the conference. This year we will be adding track and field to our spring athletic offerings. We have added new clubs to the menu of options for students at all grade levels. It is amazing to see our students take initiative and build support for their passion. Many of our other clubs and programs continue to build membership and provide opportunities for our students to grow and develop. These are only a few ways that we are working to provide more opportunities for our children.

Several projects were recently completed and in the process of being completed for the district. Most noticeably, the parking lots were resurfaced and repaired and new drainage was installed as well. The district supported the booster club to help finish the concession stand project. New technology upgrades are being completed and new devices were purchased for students and staff. Upgrades that focus on the safety and security of our children are also in the works. Our district was awarded \$60,301.00 in state school safety grants this year. New locks are being installed, more security cameras will be installed, shatter resistant film is being installed at front entrances, first aid kits are being purchased, and training is being done for staff. Along with the school safety grants, our district secured \$72,265.00 in a federal rural schools grant this year. This funding will be used for the purchase of technology and curricular items. Teachers and administrators write grants regularly to help supplement what the community already does for our schools. Grant funding helps us bring new and exciting things to

students. Last year our PE department received kayaks through a grant, this year, we are getting a hockey rink installed between the buildings.

Our buildings continue to age. We have done several improvements throughout each building, but as our systems age, inevitably pieces start to fail. We are currently participating in a facility study to gauge the life of the buildings. Our student population growth has caused space issues in both buildings. Teachers are being asked to be creative with the spaces that they have. We have teachers in each building teaching classes in conference room sized spaces. We have art in the cafeteria once again at JHE. Student growth is a positive thing, but our buildings are not made to continue to expand. We have creatively made space for students, but the challenge that we face is as we add more programming and students, our buildings cannot support it. The board and community are faced with this issue over and over. We will be forced once again to make budgetary decisions for our aging buildings. We will continue to maintain and do projects. This year, we have more students into our district through open enrollment than we have out. This is an exciting time for growth for all involved.

The district is moving forward and facing the challenges with great determination. We want to make Hustisford competitive and make our students high achieving, high functioning citizens. We have so much to be proud of. I ask for continued support from our community. I ask for our community to come and see what we are all about and what we have to offer. I am very proud to be here serving the district and the children. It is always a great day to be a falcon.

#HUSTYPROUD

Sincerely,

Heather Cramer
Superintendent of Schools

HUSTISFORD SCHOOL DISTRICT
Regular Board of Education Meeting Minutes
Monday September 17, 2018

I. Call to order

The meeting was called to order by President John Bohonek at 6:30 p.m.

II. Roll call of members

Board members signed the attendance roster at the start of the meeting. Members present: Jay Behnke, Dave Stryck, Tracy Malterer, John Bohonek, Steve Weinheimer, and Barb May. Absent: Lisa Bosse

III. Verification of public notice: Heather Cramer, superintendent of schools, verified that the meeting was noticed to the public appropriately as required by S. 19.84 (1), (2), (3), & (4) Wis. Stats.

IV. Public Forum: None

V. Consent Agenda

The purpose of the Consent Agenda is to provide a mechanism where the Board can dispose of routine matters that must by law come before this body.

- A. Approval of Minutes of the Regular Board Meeting –August 20, 2018
- B. Approval of Minutes from September 2018 Committee Meetings
- C. Approval of Financial Business: Approval of Bills (#39553 #39621) Funds 10, 27, 38, 41, 50, 80
- D. Approval of Student Activity Accounts

A motion was made by Barb May and seconded by Jay Behnke to approve the Consent Agenda items as presented. Motion passed 6 - 0 by roll call vote.

VI. Regular Agenda

A motion was made by Tracy Malterer and seconded by Steve Weinheimer to approve the Regular Agenda. Motion passed by voice vote.

VII. Reports

A. Principals' Reports:

Mr. Bushey Reported: Mr. Bushey reported that staff members participated in the Why Try curriculum training during in-service week. He also reported that the new ice rink has arrived. He provided an update on enrollment and senior projects. He provided information to the board on spirit week. He also discussed an option working with Yamaha outboard motors for the tech ed. department. Finally, he provided an overview of what the staff participated in during in-service week.

Ms. Bell Reported: Ms. Bell reported that current JHE enrollment is 179 students. She updated the board on the PALS testing schedule. She provided important date reminders that are upcoming including picture day and 5th grade parent band night. She updated on the Birdseed Backpack project. She discussed the school wide behavior program and the tickets students can earn. Finally she updated the board on child find activities and after school study hall.

C. Athletic Director's Report: Mr. Falkenthal reported that fall sports are all underway. Volleyball is having an outstanding season as is football. He reported that he will be attending the WIAA district meeting. He also provided updates of WIAA information that will be discussed at the area meeting including Districts for Football in the 2020 season as well as felony convictions for WIAA athletes.

D. Financial Director's Report: Mr. Kiefer provided information that the audit has been completed. He also discussed the amount of money being placed into fund balance. He provided an update and comparison for the 16/17 budget vs. the 17/18 budget. He discussed that the district received \$176,000 in sparsity aide this year. He also updated the board that the district received a rural schools grant written by Mr.

Kiefer and Mrs. Cramer in the amount of \$72,265.00.

E. Superintendent's Report: Mrs. Cramer reported that in-service week was successful and well received by staff members. Staff members completed Stop the Bleed training as part of the school safety grant initiative. The staff also was trained in blood borne pathogens and mandated reporting. The staff was also trained by two Dodge County drug detectives on drug awareness. The Community Fair was successful. The district is participating in the newly formed Dodge County task force on opioid and other substance abuse. The district will be providing training to all staff in regards to the WI Retirement System. Mrs. Cramer updated the board on the district's participation with the Greater Watertown Community Health Foundation. Mrs. Cramer also updated the board on the various meetings that she is attending at the regional and local level. She also updated the board that she will be attending the State of Education Address in Madison. Mrs. Cramer also updated the board that the district is positive 8 students for open enrollment this year, this is great news for the district.

VIII. Committee Reports:

Building and Grounds Committee: John Bohonek, Committee Chair reported on the September 10, 2018 meeting:

Buildings and Grounds Committee Meeting
Minutes of Monday, September 10, 2018

The **Buildings and Grounds Committee** of the Hustisford School District Board of Education met on Monday, September 10, 2018, at 4:00 p.m., in the office conference room at Hustisford High School, 845 South Lake Street, Hustisford, WI 53034.

Present: John Bohonek, Chair; Steve Weinheimer, member; Kris Roeseler, District Maintenance Coordinator; and Heather Cramer, District Administrator

New Business:

- Update Kris Roeseler—Maintenance projects and schedule – Mr. Roeseler updated the committee on the various projects being completed in the buildings and on the grounds. He reported that the water heater installed in 2011 at the HS is leaking and he is receiving estimates on its cost for repair or replacement. At this time it is offline and the district is determining if one water heater has the capacity to meet needs and demands in that area of the building prior to making a decision. He also reported that the air handling unit for John Hustis is having issues with timing and that the district is working with Johnson Controls on this issue.
- Custodial Scheduling and Staffing –The committee talked about the number of custodial hours being worked and the work load. The staff is back to full staff minus the ½ time position added last year. The district will monitor hours and work.
- Building level updates/concerns—Projects in each building—update above
- Classroom space update—Both buildings are operating at capacity. At JHE all classrooms and storage areas are being utilized. The final classroom was placed in the conference room. Art is operating out of the cafeteria. There are no empty spaces within the building. At the Jr./Sr. High all spaces are being utilized. There is a classroom operating out of the conference room off of the library as well. Storage spaces have been converted into office space as well. All areas are being utilized by the staff.
- Unesco Update—Mrs. Cramer will be meeting with a representative to discuss a survey on Monday, September 17.
- Current Enrollments—JHE is currently at 179 students and Jr./Sr. High is at 260.

Regular Board of Education Meeting Minutes
Monday September 17, 2018

Curriculum and Technology Committee: Did not meet

Business and Finance Committee: Did not meet

Policy and Personnel Committee: Tracy Malterer, Committee Chair reported on the September 10, 2018 meeting:

Personnel and Policy Committee

Minutes from Monday, September 10, 2018

The **Personnel and Policy Committee** of the Hustisford School District Board of Education met on Monday, September 10, 2018, at 5:00 p.m., in the conference room within the offices, at Hustisford High School, 845 South Lake Street, Hustisford, WI 53034.

Present: Tracy Malterer, board member (chair); David Stryck, board member; and Heather Cramer, Superintendent of Schools

New Business:

- Staffing 2018-2019—The committee discussed various staffing concerns. Concerns were brought up from teaching staff and custodial staff.
- NEOLA updates—Mrs. Cramer indicated that policies are in publication status and that NEOLA will be in-district October 10, 2018 to complete the next policy update.
- Support Staff Wage Discussion—The committee discussed options for support staff on starting wage and the type of work being completed by staff members. Wage increases are being discussed as well as a premium for working with high need student populations. Wages for other staff members were discussed as well and will continue to be considered. Comparables are being reviewed as well as job descriptions for certain positions.
- Current Enrollments—JHE is at 179 and the Jr. /Sr. High is at 260.

Another place to keep up to date!!!

Greetings from Jr./Sr. High School Principal Mr. Clint Bushey

Greetings Hustisford Jr. / Sr. High School Families,

It has been a great start to the 2018-19 school year here at Hustisford Jr. / Sr. High School! The positive energy from students and staff has been evident throughout our school. We take great pride in ensuring our students have a safe, welcoming, supportive, and academically rigorous experience at Hustisford. In addition, we are truly fortunate to have such a supportive community who values education. Thank you! Here are a few updates: First, thank you for your help in preparing your student(s) for the start of the school year. Our students have been actively engaged in learning from the first day of school, and we appreciate your help and support in making sure they have the resources and support they need to be successful. Congratulations to the Fall sports teams and their successful seasons. Homecoming came early this year and it was great to see the involvement of the students and families at many of the events. I look forward to seeing many talented individuals participating in the Winter sports seasons.

Please visit the Hustisford Schools District Webpage for a vast array of information and upcoming events. The announcements that are shared with students daily are uploaded for your viewing. This aspect of communication allows the Parents access to information and deadlines given to students. Use the website to reach out to teachers or administrators if you have a concern or question. Stay updated with your child's academic progress on Infinite Campus. We need you on our team—your involvement in your child's educational experience is critical to his or her success and will make the school community that much richer.

The Academic and Career Planning (ACP) initiative is in the beginning stages of planning and development. The end goal for our ACP program is to ensure students have an individualized post-high school plan. Our staff have been working very hard to align ACP standards to current curriculum practices and find what we need to add to ensure all areas of ACP are met with every student before they graduate. My goal is to have every student that walks across the stage with their diploma in their hand have a solid understanding of what they are doing next.

Thank you for all you do for the great students here at Hustisford.

Here is a list of some important upcoming events:

- * End of Quarter 1 November 2nd
- * National Honors Society Induction Ceremony November 6th at 6:00 p.m.
- * Veterans Day Assembly November 9th
- * Thanksgiving Break November 21st - 23rd
- * 1st Round of Senior Project Presentations December 3rd

John Hustis Elementary Update By Margaret Bell - Principal

Welcome to November! I hope that your experiences with parent teacher conferences were positive and you were able to connect with your child's teacher. The connections between home and school are so very important! Working in partnership is the best way to help our children reach their potential!

I would also like to extend a thank you to our PTC for providing dinner for staff during conferences. Food is a great way to bring a community together, and we appreciate their efforts in this. Now that fall has officially arrived and the unpredictability of Wisconsin weather is here, I am asking for your help in making sure that you send your child to school in warm clothes, and with jackets, hats and gloves/mittens. Once the snow begins to fly, also make sure that boots and snow pants are making the trip with your child. Please label these items, as our lost and found is growing already.

Thank you for making McTeacher Night a huge success! We raised just over \$700 that night! The money will be used towards assemblies, field trips and other enriching activities for our students. Your generosity and dedication to our JHE family is overwhelming and we cannot wait to share this with the kids!

Our Red Ribbon Week was a lot of fun with the theme "Life is Your Journey, Travel Drug Free". The kids were able to wear red as a reminder that "We are "RED"y to be Drug Free, and hats so they can, "Use Their Head and Don't Use Drugs". On Halloween, they wore costumes of course, because they are proud to say, "Don't Let Drugs Haunt Your Life" The weeklong focus created wonderful age-appropriate discussions about the importance of living a healthy life that is drug free.

It's hard to believe the first quarter of school is over on Friday, November 2nd. Time sure does fly. Your child's report card will go home in the November 9th Friday Folder. That is also the day we will have an assembly to honor our veterans. The program is at 2:00 in the high school gym and all are welcome to attend. This moving program recognizes and gives thanks to all of the veterans who have and are currently serving our country. It is truly an honor for our staff and students to share in this program. We will have a contest that day to see which class is dressed in the most red, white and blue. The winning classroom will get red, white and blue popsicles.

American Education week is November 12-16. John Hustis Elementary students have some wonderful things planned. It's another way our kids are able to keep the connections with our community strong, and show how much their education means to them. From all of us at JHE, thank you for allowing us to be such an important part of your child's life. We truly love what we do!

As Thanksgiving approaches, I want to say how thankful I am for our kids, our staff, and the community support that John Hustis Elementary has. We really do have a wonderful school. Together we are learning, growing and having a lot of fun doing it! Thank you for the opportunity to be here and be a part of something great.

Happy Thanksgiving!

Peggy

The Hustisford FFA members are looking forward to a great year.

To start off the month of October, Milana Malterer, Chy Aasen, and Angel Carbon attended the Section 10 Leadership Workshop at Elkhorn High School. Members learned the details about officer positions and developed their personal leadership skills.

On October 2nd, Ms. Essock's Animal Science classes attended the World Dairy Expo in Madison. Students were able to watch some of the world's greatest cows being exhibited on the colored shavings, as well as visit the career fair and farm equipment exhibits.

Four members of the Hustisford FFA will be attending the National FFA Convention in Indianapolis, Indiana from October 23-26th. Along with Fay and Ms. Essock, Chy Aasen, Tristin Bischoff, Angel Carbon, and Milana Malterer will be attending the convention, industry tours, a career fair, and the Garth Brooks concert!

In November, two of our Junior members will be attending the 212-360 conference in Stevens Point. Their goal is to develop their leadership skills and to bring back to strengthen our Chapter.

The FFA will also be selling fruit, vegetables and cheeses for their bi-annual fundraiser coming up in November.

As new activities and adventures come up throughout the year, we look forward to your constant support of our chapter.

Enjoy the Fall!

Community Watch!

Taking care of your community...

COMMUNITY WATCH... WE CARE

“You are the community. Help out your family, friends, and neighbors by reporting any suspicious activity in your neighborhood or any information on any illegal activity that may have happened. Contact the Hustisford Police Department by logging onto HustisfordPD.com , or by calling (920) 349-3122, or in the event of an emergency always dial 911” If you ever have any questions, please contact any Police Officer, Sergeant or Chief.

Thank You!

We would like to thank you for your support of our schools! Keep watching this newsletter to see what is happening in the school and in our community!

Non-Discrimination Statement

The Hustisford School District does not discriminate on the basis of age, race, color, sex, national origin, ancestry, religion, creed, pregnancy, marital or parental status, gender, sexual orientation (including transgender status, change of sex or gender identity), homelessness status, physical, emotional, or learning disability/handicap, in its curricular, career and technical education programs, co-curricular programs, student services, recreational or other programs and activities, or in admissions or access to programs or activities offered by the school district.

All career and technical education opportunities are offered on a nondiscriminatory basis and are open to all students in the Hustisford School District. These programs include offerings in business education, technical education, and family and consumer education.

The Hustisford School District will make reasonable accommodation of a student’s sincerely held religious beliefs with regard to academic requirements. The Superintendent of Schools may be contacted regarding non-discrimination issues. He/she can be reached at: Superintendent of Schools, Hustisford School District, 845 South Lake Street, Hustisford, WI 53034 (920-349-8109). (School Board Policies - 1422, 2260, 3122, & 4122)
