New Teacher Spotlight

Please welcome these new members of our Falcon staff!

Erica Gaetz - School Counselor

How many years have you been in education?

I graduated from UW-Stout in May and this is my first year being a school counselor.

An interesting fact that you would like to share about yourself?

I enjoy going to concerts in my freetime and this summer I was able to see Taylor Swift in Minneapolis.

What are you looking forward to the most this school year at Husty?

I am most looking forward to building relationships with the students and staff across the district.

Kieth Kohls - Technology Education Teacher

How many years have you been in education?

28

An interesting fact that you would like to share about yourself?

I grew up in the funeral business.

What are you looking forward to the most this school year at Husty?

Working in a small, friendly environment.

Tami Jaeck - Business Education Teacher

How many years have you been in education?

I have been in education for 30 years.

An interesting fact that you would like to share about yourself?

I am FAA Remote Pilot certified which means that I can take images or creates videos using a drone.

What are you looking forward to the most this school year at Husty?

Sharing my excitement about business and the different opportunities students have in front of them after high school. Helping students find their strengths and how those link directly into finding a career path. Building curiosity that could transform into a business idea or plan.
