

Hustisford Happenings

An Official Publication of the Hustisford School District

November 2017 Volume XXXVIX Issue 5

A Message from the Superintendent...

The following is the report given at the Hustisford School District Annual Meeting held October 9, 2017. The annual meeting is a time for community members to come and hear about how the district is doing moving forward into the coming year. It is a time for community members to see financial information from last year and into the coming year. It is also a time for the district to celebrate what we have to offer. We are truly blessed within our district. We are blessed with a wonderful staff, great students, and a supportive community. The Board of Education and I encourage community members to ask questions and visit our schools. Come find out what we have to offer. We are off to a great start this year!

Superintendent's Annual Report to the Board of Education and Community

Dear School Board Members and Members of the Hustisford School District Community:

I want to start out this evening by saying thank you for the opportunity provided to me to serve as the superintendent of schools for the Hustisford School District. I am humbled and honored to work for this community. The unwavering dedication to your school and most of all our students is what makes this community unique. I have the privilege each day to work with individuals who are dedicated to our students. Thank you to the Board of Education for supporting the great work being done by our staff and supporting the education of our students, your support is noted and appreciated.

Our school year has started with many different initiatives being worked on. Some of these initiatives have caused challenges for us. Although we know that we will face challenges throughout the year, we will work together to meet these challenges and always make decisions with our students in mind. Although these challenges arise, they will be met with many successes that we, as a district, can celebrate. I am excited about what is happening in this district and the challenges and celebrations that we have.

I want to take a moment to outline initiatives that the board and community have invested in that have had or will have a long-lasting impact on our students.

There have been several curricular changes that

have occurred this year. The Sr. High is offering two AP classes, AP Calculus and AP Psychology. The AP Calculus class is broadcasted live to Horicon students daily. Offering these classes puts our students in position to gain college credit prior to leaving our doors. We revamped the science offerings at the Sr. High as well. We added two elective science classes, Human Anatomy and Physiology and Earth Science. We also restructured the order in which students are taking classes in order to better prepare them for post-secondary education. We also added math programs and added FTE in Sr. High math. This too is to help better prepare our students for a competitive world. We made changes at the Jr. High as well, implementing a STEM class, a content area reading class, and changing the way certain classes were offered. We also looked to increase the challenges for Jr. high students by allowing them to take advanced math classes as well as high school Spanish. All of these changes are for the students. We implemented a new curriculum for at-risk students at the Sr. High as well. Again, working to ensure that all students succeed. The Elementary students are working in a new writing curriculum as well as a new science curriculum. These changes will prepare them as they journey through our schools.

Within the past year we switched our financial software system to Skyward. This move will enhance and streamline our processes within, but will provide more flexibility in the future with all of the potential of the system. This move will help build the capacity of the entire district office, streamline many procedures across the district, and build transparency for all involved.

We are providing more opportunities for students both academically and athletically. Our Cooperative Agreement programs continue to be successful. Our district teams are also continuing to grow and provide challenges to others within the conference. We have added new clubs to the menu of options for students. Two new clubs that are in progress are an art club and a weight training club. It is amazing to see our students take initiative and build support for their passion. Many of our other clubs and programs continue to build membership and provide opportunities for our students to grow and develop. These are only a few ways that we are working to provide more opportunities for our

children.

There were many projects completed this past summer. A new bathroom was built at the Jr./Sr. high to meet ADA standards. John Hustis had the rest of the roof replaced. Patch work was done on parking and walkways. New doors were installed at the Jr./Sr. high as well. Other projects are continuously being completed to add to the life of each of the buildings. Our maintenance crew works diligently to keep our buildings in the best condition possible.

The district is moving forward and facing the challenges with great determination. We want to make Hustisford competitive and make our students high achieving, high functioning citizens. We have so much to be proud of. I ask for continued support from our community. I ask for our community to come and see what we are all about and what we have to offer. I am very proud to be here serving the district and the children. It is always a great day to be a falcon.

#HUSTYPROUD

Sincerely,

Heather Cramer

Superintendent of Schools

IMPORTANT DATES

November 3—End of First Quarter

November 10—Veteran's Day Assembly—2:00 p.m. High School Gym

November 15—Kevin Hines Speaker—7:00 p.m.

November 22, 23, 24—No School

HUSTISFORD SCHOOL DISTRICT
Regular Board of Education Meeting Minutes
Monday September 18, 2017

I. Call to order

The meeting was called to order by President Dave Strysick at 6:31 p.m.

II. Roll call of members

Board members signed the attendance roster at the start of the meeting. Members present: Jay Behnke, Dave Strysick, Tracy Malterer, Steve Weinheimer (entered at 6:32), Lisa Bosse, and Barb May. John Bohonek was absent.

III.Verification of public notice: Heather Cramer, superintendent of schools, verified that the meeting was noticed to the public appropriately as required by S. 19.84 (1), (2), (3), & (4) Wis. Stats.

IV. Public Forum: Christa Gavin addressed the board in regards to 7/8 Grade Football. She asked the board for future support of the program and provided an update on the program. She also asked the board to consider a donation for this year's costs.

V.Consent Agenda

- A. Approval of Minutes of the Regular Board Meeting – August 21, 2017
- B. Approval of Minutes from September 2017 Committee Meeting
- C. Approval of Financial Business: Approval of Bills (#38770-38804) Funds 10, 27, 38, 41, 50, 80
- D. Approval of Student Activity Accounts
- E. Approval of Resignation of April Lindert, Food Service Assistant

A motion was made by Jay Behnke and seconded by Barb May to approve the Consent Agenda items as presented. Motion passed 6 - 0 by roll call vote.

VI. Regular Agenda

A motion was made by Tracy Malterer and seconded by Lisa Bosse to approve the Regular Agenda as Presented. Motion passed by voice vote.

VII. Reports

A. Principals' Reports:

Ms. Bell Reported: Ms. Bell reported on a successful open house at JHE. She talked to the board about the theme for the elementary school for the year. She talked about the screenings being done and the schedule of the upcoming screenings as well. She indicated that the teachers will be participating in Harvest Fest downtown as well.

Mr. Bushey Reported: Mr. Bushey reported on training opportunities that HS and Jr. High staff have taken advantage of during late summer. He shared the Jr./Sr. high initiatives for the school year, focusing on ACT writing, Trauma Sensitive Educaiton, and Academic and Career Planning. He provided a schedule of dress up days for Homecoming. He updated the board on where the seniors were in regards to senior projects.

B. Athletic Director's Report: Mr. Falkenthal reported that the fall sports season is in full swing. All teams are currently in conference play. Volleyball is off to a 3-0 start in conference, football is off to a 3-0 start as well. Soccer is in the middle of the pack for conference play with a record of 1-1-1. Junior high volleyball is off to a quick start and the girls are playing well and being very competitive. Mr. Falkenthal reported on the area WIAA meeting that he attended on September 18 in Oconomowoc.

C. Superintendent's Report: Mrs. Cramer reported that CESA 6 will be providing school psychologist services within the district. She reported on teacher inservice week and its success. She updated the board on several maintenance issues and update projects that have been completed or are nearing completion throughout both buildings. She updated the board on where the district is at in regards to the emergency plan. She also updated the board on educator effectiveness.

VIII. Board Development:

A. Introduction of New Teaching Staff for 2017-2018: Mrs. Cramer introduced

the new teachers that have joined the district. Teachers include:

- Megan Love—Grade 4
- Jayne Schuett—Grade 5
- Megan Rennhack—K-12 Art
- Tony Scallon—Businesd Education
- Andrew Powers—Elementary Physical Education
- Taylor Burns—Elementary Special Education
- Bruce Haan—HS Math

- B. Strategic Planning Presentation from CESA 6: Mrs. Cramer introduced Mr. Ted Neitzke to the board. He is the director of CESA 6. Mr. Neitzke presented information to the board on the process that they would be using for strategic planning. He indicated that they would begin in early October. Mrs. Cramer will be scheduling the first meeting for the admin team to start the process. There will be room for community involvement and information as well as time for the board to build the capacity of the district.
- C. Village of Hustisford TIF district: Mr. Strysick updated the board that the village will be seeking a TIF district within the village. This district will help to create tax incentives to bring industry and retail into the village. The village is looking to approve this district in late September. Mr. Strysick will be representing the district on the village advisory committee.

IX. Committee Reports:

Building and Grounds Committee: Steve Weinheimer, Committee member reported on the September 12, 2017 meeting:

Buildings and Grounds Committee Meeting
Minutes of Tuesday, September 12, 2017

The Buildings and Grounds Committee of the Hustisford School District Board of Education met on Tuesday, September 12, 2017, at 4:00 p.m., at Hustisford Jr./Sr. High School, 845 South Lake Street, Hustisford, WI 53034.

Present: John Bohonek, chair; Steve Weinheimer, board member; Heather Cramer, Superintendent of Schools; Kris Roeseler, Director of Buildings and Grounds

Old Business:

- Update from Kris Roeseler, Supervisor of Buildings and Grounds: Mr. Roeseler updated the committee on the various projects that had been completed as summer work. He also updated on the Cintas contract and how things were going. He also updated on coverage for employees while vacations are being filled.
- Summer Maintenance Projects Update: All summer maintenance projects were completed.
- Bathroom Project HS: Mrs. Cramer updated the committee that the project is complete and that it cleared all inspection.
- JHE Roof: Mr. Roeseler provided an update on the finishing touches happening on the roof as it nears completion. He also provided an update on the process for completing the insurance claim.
- Clean Sweep: The district completed the clean sweep in August. All of the process is finalized.
- Door Project HS: The door project for the outside doors near the band room at the HS is complete.

New Business:

- Strategic Planning: The committee discussed the importance of the strategic planning process. They talked about looking into the various options out there in regards to a facility study. Mrs. Cramer will continue to re-search this and bring options to the committee.

Regular Board of Education Meeting Minutes
Monday September 18, 2017

- Maintenance Issues/Concerns: Mrs. Cramer updated the committee that they will work to implement a maintenance request form for all employees to use. This request form will assist in tracking the maintenance completed as well as prioritizing requests. It will help to track what issues are being seen at both buildings.
- Project for room 211 at Jr./Sr. High: The committee heard an update on a wall that the special education room would need. This will help reduce interruptions in the room. Mr. Roeseler will work to secure bids on this project for the room.
- Disposal of Items: The committee discussed the disposal of items around the district that are either no longer used or in disrepair. The committee is ok with Mr. Roeseler and Mrs. Cramer following district policy to dispose of items no longer needed for the benefit of the district.
- Building use for outside entities: The committee discussed outside entities using facilities. The committee felt that as long as it did not conflict with our own district events, it was a great way to bring in revenue and help promote the district and community.

Curriculum and Technology Committee: Barb May, Committee Chair reported on the September 5, 2017 meeting:

Curriculum and Technology Committee
Minutes of Tuesday, September 5, 2017

The Curriculum and Technology Committee of the Hustisford School District Board of Education met on Tuesday, September 5, 2017, at 4:00 p.m., in the library/media center at Hustisford High School, 845 South Lake Street, Hustisford, WI 53034.

Present: Barb May (Chair) and Heather Cramer, Superintendent

Old Business:

- Update from Fred Miller—Director of Technology: Excused due to district needs
- Strategic Plan—Curricular Cycle: The committee discussed the curricular rotation that the district needs in regards to updating and maintaining curriculum. Mrs. Cramer will work on a plan for the committee to review.

New Business:

- Science Update—Sr. High—New science classes are up and running. Enrollment in new classes was high enough to run both new classes.
- Math Update—Sr. High—The Calculus class is being broadcast to Horicon. Overall it is going very well. The new Consumer Math class is getting high reviews from students who are feeling success in math. They have been grateful for the new offerings.
- AP Psychology—The new AP class is up and running. Students are excited about the new offering.
- Parent Concern—Did not attend, rescheduled
- Agriculture Program—Mrs. Cramer updated the committee that the AG cooperative with Dodgeland will end at semester. We currently have 6 students in a small animal class that will run for the first semester. Mrs. Cramer will update next month with options.
- Technology Planning—The committee discussed the need to start thinking ahead for technology planning for the future of the district.

Business and Finance Committee: Did not meet

Policy and Personnel Committee: Tracy Malterer, Committee Chair reported on the September 11, 2017 meeting:

Personnel and Policy Committee
Minutes from Monday, September 11, 2017

The Personnel and Policy Committee of the Hustisford School District Board of Education met on Monday, September 11, 2017, at 5:00 p.m., in the conference

room off of the library/media center, at Hustisford High School, 845 South Lake Street, Hustisford, WI 53034.

Present: Tracy Malterer, board member (chair); David Stryck, board member; and Heather Cramer, superintendent of schools

Old Business:

New Business:

- Neola Policy Update: Mrs. Cramer updated that the committee will be receiving updates shortly for policies that will need to go through board readings. Mrs. Cramer will be meeting with a Neola representative in early October.
- Athletic Code Handbook: Mrs. Cramer provided copies of the code handbook to the committee. She will also be working with the HS Dean of Students, a coach, and the Athletic Director to start the revision process. Tentatively the book will be brought back to committee level in December, 2017.
- Coaches Handbook: The committee will also be reviewing the district Coaches Handbook and will bring back to the committee in February, 2018.
- Volunteer Handbook: Mrs. Cramer will work on creating a district volunteer handbook for the 2018-2019 school year. This will be handed out with all guidelines for those individuals wanting to volunteer in any form for the district.
- Teacher Handbook: The committee will start to look at the teacher handbook and will bring it back monthly as they go over the book and work to match board policy to the current district needs.
- Substitute Teacher Handbook: Mrs. Cramer will update the substitute teacher handbook for approval in October.
- Annual Evaluations—Support Staff: Mrs. Cramer sought feedback on forms for support staff evaluations. The committee provided feedback. Mrs. Cramer will implement these forms this year for the evaluation of support staff.
- Update on Staffing: All staff in place for teaching positions. The district is still seeking a School Psychologist and Business Manager. They will look to CESA 6 as a possibility for School Psych services.
- Extra Duty Schedule: The extra duty schedule for both buildings was provided for review and will move to board approval.

X. Old Business: NA

XI. New Business

A. Curriculum and Technology:

1. Resolution #1530: Approval of 66.03 Agriculture Education Agreement with Dodgeland for first semester 2017-2018 as presented

Approved 6 – 0 Roll Call Vote

Resolution #1532: Approval of Resolution Objecting Shot Clock Implementation for Basketball

A motion was made by Tracy Malterer and seconded by Jay Behnke to approve the following resolution.

Approval of Resolution Opposing WIAA Shot Clock Implementation

School Board Resolution #1532

BE IT RESOLVED, that the Board of Education of the Hustisford School District does hereby approve a resolution in opposition of the implementation of a shot clock for high school basketball beginning in the 2019-2020 school year.

The Hustisford Board of Education opposes the planned shot clock implementation in high school basketball that would take place and become mandatory for schools in the 2019-2020 school year. The opposition to this implementation is for numerous reasons.

Regular Board of Education Meeting Minutes
Monday September 18, 2017

HUSTISFORD SCHOOL DISTRICT
Special Board of Education Meeting Minutes
October 19, 2017

- Cost of hardware for the implementation
- Cost of worker to run the shot clock for each home game for boys and girls basketball which is approximately 22 regular season games per year and possibly additional playoff games.
- Finding and training an individual or individuals that can operate the clock and have a clear understanding of rules and regulations in relation to the shot clock.
- Concern that the impact for the game of high school basketball is actually little to no impact to the game itself.
- Concern that the implementation provides another opportunity for the fans to criticize a worker for error or for fans to use count downs, etc. This is an issue that WIAA has worked with schools to alleviate with student/fans in regards to what they are allowed to chant and cheer, they are reintroducing areas for these things to again cause issues.

For these reasons, we, as the Hustisford School District, are standing united in the opposition of the shot clock implementation by the WIAA. We stand with and support the decision of the Trailways Conference to oppose this implementation as well.

Approved 6-0 Roll Call Vote

3. Resolution #1533: Approval of District Finance Coordinator

A motion was made by Barb May and seconded by Jay Tracy Malterer to approve the following resolution.

Approval of District Finance Coordinator Position
School Board Resolution
#1533

BE IT RESOLVED, that the Board of Education of the Hustisford School District does hereby approve a contract for District Finance Coordinator to John Keifer as presented.

Approved 6-0 Roll Call Vote

WEBSITE

Please check our website for additional information about our School District or upcoming events in the community.

Hustisford Youth Wrestling Club is open to all children Pre-K to 8th Grade. Season starts November 27th thru March. Cost is \$30.00. See their face book page Hustisford Youth Wrestling Club for more information or call Kevin Kluck (920)-349-3713.

Greetings from Jr./Sr. High School Principal Mr. Clint Bushey

This school year is flying by! With the close of the first quarter on November 3rd right around the corner it seems like we just welcomed students back from summer break. The Fall sport seasons have come to an end with each team making it to post-season play.

Great job to all Fall sports athletes. I am

very excited to see what Husty can do now during the Winter sports seasons. I would like to take this opportunity to share with all of you the wonderful things that have been happening and take a little time to celebrate some successes .

- Mr. Koch, with a grant funded by the Greater Watertown Community Health Foundation, was able to take most of the students in his Physical Education classes kayaking for an awesome experience of a lifetime activity.
- Mrs. Daley created a project on the website Donors Choose which helps teachers raise funds for needed projects in the classroom. Within a weeks time her project allowed a classroom to purchase a set of 30 calculators and was fully funded for a total of \$500.
- The staff of John Hustis Elementary and the Jr. / Sr. High have been inserviced for over a year on a Department of Public Instruction initiative in trauma sensitive mental health training. This training provides staff with techniques and strategies to use while helping students throughout the day.
- A district wide team has been established to analyze and implement strategies and goals throughout the district to help students struggling with mental health needs.
- The district staff have been inserviced in Question Persuade Refer suicide prevention training to help identify students who might be in crisis.
- Greater Watertown Community Health Foundation Mental Health Grant is being used to purchase tools to help students manage their emotions and stay focused in classrooms. The grant additionally purchased curriculum materials for training social and emotional learning.
- Greater Watertown Community Health Foundation Mental Health Grant dollars are being used to bring a speaker to the school and community. Kevin Hines is a brain/mental health advocate, award -winning global speaker, bestselling author and documentary filmmaker who reaches audiences with his story of an unlikely survival and his strong will to live. Two years after he was diagnosed with bipolar disorder (19 years of age), he attempted to take his life by jumping from the Golden Gate Bridge. He is one of only thirty-four to survive the fall, and the only one to regain full physical mobility. He is the only Golden Gate Bridge jump survivor who is actively spreading the message of living mentally healthy. The fall would break his body, but not his spirit. Today, Kevin dedicates his life to saving lives by spreading the message of hope and sharing his art of living mentally well. He is one of the most respected and admired voices of lived experience. Kevin's story is a remarkable testament to the strength of the human spirit and a reminder for us to love the life we have. Wednesday, November 15 at 7:00 PM Hustisford Jr./Sr. High School Gym.
- The National Honors Society will be inducting 8 new student members on November 7th at 6:00 p.m. Congratulations to those students for this achievement.

Continued— Jr./Sr. High School Principal Mr. Clint Bushey

- Miss Anglemyer received a \$100 grant to purchase books to be used for the Sr. High book club.
- Dementia Care Specialists of Dodge County Human Services and the Health Department of Aging and Disability Resource Center will be presenting for free on November 16th at 6:00 -7:30 p.m.
- All Juniors attended the Wisconsin Education Fair on September 28th to learn about post secondary options.
- All Juniors and Seniors are invited to attend a field trip on November 29th to Moraine Park Technical College and the University of Wisconsin Washington County to explore the campuses and life after high school.
- The district is in the planning stages for full implementation of Academic and Career Planning with exciting opportunities for students happening this school year.
- To celebrate our Veterans the district will host a Veterans Day assembly on November 10th at 2:00 p.m. in the Jr. / Sr. High School Gymnasium. We can not thank our Veterans enough for the sacrifices they have made for this great country.

As you can see, it has and will continue to be, a busy and successful school year. I hope this article shows how the school is working hard to make this the greatest school around. Please join us for the community pieces that are listed above.

BUS SAFETY

In Wisconsin, we have over 13,000 school buses that transport more than 515,000 students to and from school each school day and travel nearly 70 million miles a year.

An estimated 828 motor vehicles illegally pass Wisconsin school buses every day.

Sometimes drivers are not fully alert and pass a stopped school bus. This is a very dangerous situation for the children, especially the younger ones who may not be watching traffic as closely as they should.

Motorists are required to stop at least 20 feet from a stopped school bus that is displaying flashing red lights and stop arm. Each time a motorist violates the school bus stop law, he or she creates a real hazard for the students who are boarding or leaving the bus.

Wisconsin uses an 8-light school bus warning system. The alternately flashing yellow lights mean caution to other motorists because the bus is preparing to stop. The flashing red lights and stop arm mean stop.

YELLOW LIGHTS mean the bus is going to stop. SLOW DOWN!

RED LIGHTS mean students are getting on or off the bus.

2017

November greets us with crisp fall temperatures and rosey cheeks on children as they enter the building! We had a generous donation from Dodge County HCE of hats and gloves. This is a great help this time of year and we are grateful for their donation. Thank you to everyone who made it to parent/teacher conferences in October. It's always nice to share the successes of the students and keep that connection strong between home and school. Our PTC provided delicious dinners for staff during conferences. Thank you so very much to everyone that helped make that happen!

The cold and rain didn't stop families from attending Harvest Fest. We had many raffle baskets thanks to Ponderosa, Schubert's Movie Theater, Mineshaft, the dental office of Esser, Krueger, & Borja, PTC, and Roxanne Leitzke's Daily Sweets. We raised over \$400 to help purchase a new new sound system for assemblies.

Our Red Ribbon Week was a big success with dress up days designed around themes of healthy living that is drug free. We had a day of mismatched clothes because we don't want to get "mixed up" with drugs. We dressed backwards one day because we want to "turn our backs on drugs". On Halloween we wore our costumes because we want to "say boo to drugs" of course! It was a lot of fun, and great age-appropriate discussions were had in the classrooms about the importance of living a healthy life that is drug free.

It's hard to believe the first quarter of school is over on Friday, November 3rd. Time sure does fly. Your child's report card will go home in the November 10th Friday Folder. That is also the day we will have an assembly to honor our veterans. The program is at 2:00 in the high school gym and all are welcome to attend. We will have a contest that day to see which class is dressed in the most red, white and blue. The winning classroom will get red, white and blue pop-sicles.

American Education week is November 13-17. John Hustis Elementary students create wonderful artwork that will be displayed in local businesses. It's another way our kids are able to keep the connections with our community strong, and show how much their education means to them. From all of us at JHE, thank you for allowing us to be such an important part of your child's life. We truly love what we do!

As Thanksgiving approaches I want to say how thankful I am for our kids, our staff, and the community support that John Hustis Elementary has. We really do have a wonderful school. Together we are learning, growing and having a lot of fun doing it! Thank you for the opportunity to be here and be a part of something great. Happy Thanksgiving!

The month of October has been a month of building leadership skills.

Erin Lenhardt, Cassidy Ewert and Klayton Bischoff and a few of their friends had fun throwing candy from the FFA's float in the Homecoming parade. Thank you to the mystery "wolf" driver for pulling our float.

The Section 10 Leadership Workshop was held at Big Foot High School in Walworth. Cassidy Ewert and Collin Grudzinski attended and learned more about their elected office.

Cassidy & Kelsey Ewert, Ariona & Tianda Hildebrandt, Brittney Fredrick, Melanie Onstad, Cheyenne Aasen, Milana Malterer and Alisha Peplinski attended the World Dairy Expo in Madison. They gave great support to former member, Courtney Ewert as she showed a cow in the International Dairy Show. They also talked with many individuals from different businesses and representatives from agricultural colleges.

Young members, Ariona & Tianda Hildebrandt and Kelsey Ewert attended the FIRE Conference in Madison. They learned about the meaning of the different parts of the FFA logo  and some basic history of the FFA. They also learned some proper etiquette skills.

Our FFA fruit/vegetable sale order form is also included. Our sale runs November 6-27. The delivery date will be December 11. To order please contact an FFA member, call the Hustisford High School office at 920-349-3261 or email advisor Fay at hildebrandtff@hustisford.k12.wi.us
