A Message from the Superintendent...

Summer is officially upon us! It is a busy time of the year for the school district. There are so many things that need to be completed to finish out the 2017-2018 school year and we are busy preparing for the 2018-2019 school year. The custodial crews are busy getting the schools ready. They have made great progress on the Jr./Sr. High and as soon as summer school ends, they will begin at John Hustis. There are several projects that have been completed and will be completed over the course of the summer as well. The high school gym floor will be refinished the first week of July. An artistic shade has been installed on the weight room windows to help shade the sun. Individuals who utilize the weight room have had issues with the extreme sun at times and this will help with that. The shade is visually appealing as well and shows our Husty Pride. We are awaiting installation of our higher speed and capacity internet circuit which will be beneficial to students and staff. We also will have other technology projects that will be completed throughout the summer. Parking lot repairs will also be done at both locations. There are other smaller things that get done daily as well. Floors are waxed, carpets cleaned, and walls are painted to freshen things up. It is wonderful to walk down the hallways in the building to see the transformation.

Summer is also a busy time with hiring. It is a time for mixed emotions as we say goodbye to staff members and welcome new staff members to Hustisford. We have a few jobs that are not filled yet, but we have several

new staff secured that has already started to get ready for their new beginning. We will be welcoming Mrs. Nichole Miller as a high school math teacher. She will be teaching Geometry, Pre-Algebra, Algebra I, and Technical Math which is a new class geared toward students pursuing continuing education at a technical school. She brings to Husty years of experience and a love for students and teaching that will help us help our students succeed. We are also welcoming Ms. Cierra Esock as an Agriculture education teacher. Cierra brings excitement and expertise to her position. She will be a welcomed addition to our district. She will be teaching both middle school and high school agriculture classes and assisting with the FFA program. Mrs. Dena Serwe will be filling the K-12 School Psychologist position. Dena brings experience to our district in the areas of social and emotional well-being as well as academic intervention and special education. Finally, Mr. Clint Bushey, who is not new to the district, will be taking on a new challenge officially as the Principal of the Jr./Sr. High. Mr. Bushey has done an exceptional job as our Dean of Students. He will transition to this role easily and continue to do what he does best, build relationships with students and build an inclusive school environment that fosters strong academic and social success. These are a few of the new hires that will be seen as families come back to school in the fall.

I would like to personally thank employees who have left us this year to pursue new endeavors. The district would like to extend a huge thank you to Linda Feutz. She retired

from her position at JHE. We wish her the best of luck in retirement. We would like to wish Caitlin McPherson and Megan McPherson luck as well as they have left to pursue new adventures. Karen McEvoy has retired as a library assistant as well.

I surely hope that our students enjoy their time off this summer and are ready to come back fresh and rejuvenated. Take time as families to enjoy the area celebrations throughout the summer. Enjoy the beauty that Lake Sinissippi offers and take time to enjoy family and friends. Summer can be such a busy time, so relax, refresh, and be ready for the 2018-2019 school year. I know that we are working hard to ensure that we are ready for students old and new to walk through the doors on September 4, 2018!

Sincerely,

Heather Cramer
Superintendent of Schools

FFA

Summer Greetings!

School has only been out for almost 3 weeks and many FFA activities have already taken place. Several members have volunteered their time to help at the Dodge County Dairy breakfast on June 2nd at the Dan Siegmann farm near Rubicon. Thank you! Milana Malterer practiced hard and sang her heart out with the State FFA Choir at the WI State FFA Convention, June 12-14. Milana has participated in the state choir for 2 years and has received a nomination to apply for the National FFA Choir in Indianapolis, IN in October. She will also be performing at the WI State Fair August 9-12.

Many members are spending time working with and preparing their multiple projects for the Dodge County Fair. Some will be showing their projects through FFA while others will show through their local 4-H club.

Congratulations goes to the following members for achieving 4th quarter academic honors:

COMMUNITY WATCH... WE CARE

“You are the community. Help out your family, friends, and neighbors by reporting any suspicious activity in your neighborhood or any information on any illegal activity that may have happened. Contact the Hustisford Police Department by logging onto HustisfordPD.com , or by calling (920) 349-3122, or in the event of an emergency always dial 911” If you ever have any questions, please contact any Police Officer, Sergeant or Chief.

Thank You!

We would like to thank you for your support of our schools! Keep watching this newsletter to see what is happening in the school and in our community!

Non-Discrimination Statement

The Hustisford School District does not discriminate on the basis of age, race, color, sex, national origin, ancestry, religion, creed, pregnancy, marital or parental status, gender, sexual orientation (including transgender status, change of sex or gender identity), homelessness status, physical, emotional, or learning disability/handicap, in its curricular, career and technical education programs, co-curricular programs, student services, recreational or other programs and activities, or in admissions or access to programs or activities offered by the school district.

All career and technical education opportunities are offered on a nondiscriminatory basis and are open to all students in the Hustisford School District. These programs include offerings in business education, technical education, and family and consumer education.

The Hustisford School District will make reasonable accommodation of a student’s sincerely held religious beliefs with regard to academic requirements. The Superintendent of Schools may be contacted regarding non-discrimination issues.
