An Official Publication of the Hustisford School District

June 2018 Volume XXXVIX Issue 12

A Message from the Superintendent...

Congratulations to the Hustisford High School Class of 2018! It is such an amazing time of the year. This year the district graduated 34 students. Each of the students has left a piece of themselves here within the walls of the high school that we will remember for years to come. This class was full of life and energy. They will be missed by the other students and the faculty and administration within the district. I have heard many of them indicate how excited they are that they are moving on to new things, but I want to also remind them that there is always a place here for each of them. We wish them all the best of luck into the future whether they are attending college or technical school, entering the workforce, or making a decision to serve our country. They have made us proud as a district and we are eager to see where they go!

The remaining students are excited for the summer break that lies ahead. Some are ready for a summer of relaxation and spending time with family and friends, others are ready to earn money working a summer job, and others are ready to come back for fun adventures in summer school. No matter what the plans are for the summer, we want to remind everyone to remain safe throughout the summer. We want the students to come back refreshed in the fall and ready for new learning adventures.

The summer is a very busy time for the school

district. The maintenance and janitorial crew works hard to repair and prepare the schools. There are several small projects that will be happening in both buildings. Routine maintenance will be completed in both buildings as well. The summer provides rejuvenation to the buildings as well. It is always exciting to watch the transformation throughout the summer.

Summer school begins June 11. There are so many exciting classes being offered from art to cooking, reading and math, running games, and technology. It is imperative to keep kids in a routine and keep them engaged both physically and mentally. Children from our own district and others are welcome to attend. Any questions relating to summer school should be directed to the elementary office.

As we close out 2017-2018, I would like to take a moment to honor a teacher who is retiring from the Hustisford School District this year. Linda Feutz has dedicated years to our students at John Hustis. We wish her the best of luck as she embarks upon a new chapter in her life. The district thanks her for her dedication to the students of our district. We also want to wish a few other staff members the best of luck as they move on from our district. Caitlin McPherson, Megan McPherson, and Karen McEvoy will all be leaving at the end of the year to embark upon new adventures. I want to thank them for their time

spent in the district with all of our students. All four of these individuals will be missed.

It has been a wonderful year in Hustisford; I want to personally thank the staff of the Hustisford School District for their hard work and dedication to our students. We have faced many challenges this year. The staff embraced the challenges and grew because of them. They come to work ready to teach each day and provide engaging opportunities for our students. I am honored to lead such a dedicated group of professionals. I also want to thank the students. The enthusiasm for learning and the drive for success that is seen are unwavering. As I have said every month and will continue to say, "It is a great day to be a Falcon!" # HUSTY PROUD!

Sincerely,

Heather Cramer
Superintendent of Schools

**Greetings from Jr./Sr. High School Principal
Mr. Clint Bushey**

Another great year has almost come to an end. This really is a great time of the school year. The students are at many different levels in their educational journeys. The Seniors are ready to take the next step in their lives. The Eighth graders are becoming High Schoolers. And the Fifth graders are moving to a new building. Seeing every child in the different stages in their journey is truly an awesome thing to witness. Thank you to all the parents for your hard work and dedication to your children. The countless hours of helping with homework, attending concerts, attending sporting events, and supporting the community and school does not go unnoticed. The students here at Hustisford are very fortunate.

May can be an incredibly busy and exhausting month, but May really is the time of year to celebrate successes and achievements.

- Congratulations to Maria Noll for earning a gold medal at state Forensics.
- Congratulations to Sophia Hamdan for earning a silver medal at state Forensics.
- Congratulations to Milana Malterer for her selection into the State FFA Choir.
- Congratulations to these individuals in the Solo Ensemble competition:
- Ariel Nelson and Aria O'Neil 2nd on their instrumental duet
- Aria O'Neil 2nd on her instrumental solo
- Julia Bamke 2nd on her vocal solo
- Sarah Schmidt 2nd on her vocal solo
- Sarah Schmidt 2nd on her instrumental solo
- Allison Noll 1st on her instrumental solo

Congratulations to all the recipients of scholarships. A very big Thank You to all the individuals and businesses that donate to the future development of these great students.

Congratulations to Nicholas Bloedel for your achievements as the Class of 2018 Salutatorian.

Congratulations to Molly Lang for your achievements as the Class of 2018 Valedictorian.

And finally a huge congratulations to all the seniors. I have witnessed most of you grow from bright-eyed Kindergartners to young adults that will accomplish great things. You represent the future and Husty, and I know you all have very bright futures. Never forget your home in this great community and school.

Community Watch!

Taking care of your community...

COMMUNITY WATCH... WE CARE

"You are the community. Help out your family, friends, and neighbors by reporting any suspicious activity in your neighborhood or any information on any illegal activity that may have happened. Contact the Hustisford Police Department by logging onto HustisfordPD.com, or by calling (920) 349-3122, or in the event of an emergency always dial 911" If you ever have any questions, please contact any Police Officer, Sergeant or Chief.

Thank You!

We would like to thank you for your support of our schools! Keep watching this newsletter to see what is happening in the school and in our community!

Non-Discrimination Statement

The Hustisford School District does not discriminate on the basis of age, race, color, sex, national origin, ancestry, religion, creed, pregnancy, marital or parental status, gender, sexual orientation (including transgender status, change of sex or gender identity), homelessness status, physical, emotional, or learning disability/handicap, in its curricular, career and technical education programs, co-curricular programs, student services, recreational or other programs and activities, or in admissions or access to programs or activities offered by the school district.

All career and technical education opportunities are offered on a nondiscriminatory basis and are open to all students in the Hustisford School District. These programs include offerings in business education, technical education, and family and consumer education.

The Hustisford School District will make reasonable accommodation of a student's sincerely held religious beliefs with regard to academic requirements. The Superintendent of Schools may be contacted regarding non-discrimination issues. He/she can be reached at: Superintendent of Schools, Hustisford School District, 845 South Lake Street, Hustisford, WI 53034 (920-349-8109). (School Board Policies - 1422, 2260, 3122, & 4122)
