Curriculum and Technology Committee Minutes of Monday, September 6, 2016

The **Curriculum and Technology Committee** of the Hustisford School District Board of Education met on Monday, September 6, 2016, at 5:30 p.m., in the library/media center at Hustisford High School, 845 South Lake Street, Hustisford, WI 53034.

Present: Barb May (Chair); Jay Behnke, board member; Heather Cramer, superintendent.

Old Business:

- **Agriculture Program/Classes Co-op with DodgeLand:** An update was provided about the classes and the FFA program. The classes are able to connect to DodgeLand. Students will be using iPads as part of the process so that they can connect through Schoology, just as the DodgeLand students do.

New Business:

- **Professional Development:** An update was provided about the PD plans for the district for the school year. The focus will be on mental health awareness and educator effectiveness.
- **Safety Plan:** An update was provided about the informational session held about school evacuation during in-service at the beginning of school. All staff participated and visited the evacuation site. The emergency plan will be getting updated throughout the year.
- **Technology Upgrades:** The technology projects are still underway. Updates will be made as they are available.
