Dodge Area Running Team, D.A.R.T. is a youth track and field organization designed to bring the competitive track and field opportunities to kids ages 8 - 18 in and around Dodge County. Practices will be in Dodge County but athletes DO NOT have to live in Dodge County.

Our mission is to provide opportunities and encourage local youth with basic skills, teamwork, physical fitness, personal development, leadership, and sportsmanship necessary to succeed on and off the track and field.

The Coaching staff will be comprised of area track coaches and track enthusiasts with background checks and safesport training.
