## PLANT DESCRIPTIONS

- Ageratum - Full growing plant with blue fuzzy flowers and light green foliage. Height: 5 - 8 inches. Likes sun to partial shade.
- Alyssum - Spreading plant. Carpet like with lacy flowers. Height: 4 - 6 inches. Great for borders. For maximum flowering plant in full sun.
- Asparagus fern - Wispy green plant. Drapes over pot or planter. Tuberous type plant, can be brought into house for winter. Likes partial sun.
- Asters - Mum like flowers; good for borders or cut flowers. Height 12 - 15 in. Likes moist soil. Light shade to full sun.
- Begonias - Delicate doubled waxy full flowers; look like double carnations. Height: 6 - 8 in. Best grown in half sun, half shade.
- Celosia - Feathery flowers; sometimes called fire plume or flame. Height: 12 - 14 in. Does well in any type of soil. Likes sun or light shade.
- Coleus - Multi-colored green and red plant. Does not produce flowers. Height: 8 - 12 in. Best grown in shady gardens or around bushes.
- Dracaena Spike - Green plant, sometimes called spike. Nice in center of large plants. Height: 10 - 14 in. Does not do as well indoors as out. Sun or partial shade.
- Dusty Miller - Daisy like flower with silver white foliage whirled in tight clumps. Height: 8 - 14 in. Great for borders. Light shade to full sun.
- Geraniums - Large dome shaped flower blossoms. Sturdy full plant. Keep cutting back. Height: 8 - 14 in. Grows in full sun to partial shade.
- Impatiens - Small rose shaped flower tightly hugs thick leafy stem. Height: 8 - 15 in. Prefers shade and needs to be kept moist.
- Lantana - Small button shaped flower in full green foliage. Looks like Queen Anne's Lace. Height: 8 - 10 in. Grows well in half sun, half shade.
- Lobelia - Spreading plant with delicate blue-purple flowers. Dark green foliage. Height: 4 - 6 in. Light shade to full sun.
- Marigolds - Flowers are dome shaped and full. Available in several colors. Height: 8 - 10 in. Need partial shade to full sun. Easy to grow.
- Moss Rose - Low growing ground flower, like small pansy. Good for borders or rock gardens. Height: 4 - 6 in. Grows best in full sun.
- Pansies - Graceful multi-colored flower. Unpicked flowers go to seed and return the next year. Height: 6 - 8 in. Likes sun to partial shade.
- Petunias - Double or single blossom flower. Produces many flowers. Height: 8 - 12 in. Needs full sun to partial shade.
- Salvia - Spike shaped flowers; dark green foliage. Height: 12 in. or 18 in. Light shade to full sun. Full sun for maximum flowering.
- Snap Dragons - Ruffle shaped flowers. Likes full sun. Several heights available.
- Vinca Vine - Variegated vine. Hanging type plant used in planters.
- Zinnia - Round full flowers in bright colors. Likes full sun. Several heights available.

# PRICE LIST
