

2024 SUMMER SCHOOL

GENERAL INFORMATION

SESSION 1 - JUNE 3 – JUNE 28

BREAK – JULY 1 - 5

SESSION 2 – JULY 8 - 26

Course Offering Schedule:

Period 1	8:00 – 8:55 AM
Period 2	9:00 – 9:55 AM
Period 3	10:00 – 10:55 AM
Period 4	11:00 – 11:55 AM

FORMS AND FEES: Please note that EACH student must have 2 completed forms, a general registration form and a course registration form. Forms must be completed before students will be able to participate in the summer school program. All fees are due with registration. See registration forms for any additional course materials fee. Registration is not official until payment is received. Please register early to ensure placement in your desired class. Registrations will be processed on a first come, first serve basis. Enrollment in a specific class is not a guarantee.

REGISTRATION AND FEES:

April 24: On Site Registration: Registration fee is \$8.00 per student per session plus any additional course materials fee (if applicable). In person registration will take place in the John Hustis Elementary gym from 5:00 PM to 6:30 PM. **NO REGISTRATIONS WILL BE ACCEPTED BEFORE 5:00 PM on April 24th.**

After the April 24 on site registration: Students can bring in forms to either school during regular school hours or forms can be placed in the secure mail box by the front door at the HS, or mail to the Hustisford School District, PO Box 386, Hustisford, WI 53034 in care of Summer School.

ATTENDANCE: Students who enroll are strongly encouraged to attend all days for each session registered for.

CONDUCT: Students are expected to abide by the guidelines in the elementary and Jr./Sr. High School Student Handbooks. Any discipline problem may result in removal from class, and the student may be dropped from the program. Any student removed for disciplinary reasons will forfeit all fees.

COURSES: Courses for all students, grades 4K through 12th grade, are listed in alphabetical order. Choose courses according to the grade your student will be **entering** in the Fall of 2024. Classes will meet at the Junior/Senior High School or John Hustis Elementary School.

ALL THINGS TAYLOR SWIFT

Calling all Swifties! Explore the different eras of Taylor Swift's career through different games, craft projects, and trivia, all while jamming out to her most iconic songs.

Grades 3-6	Material Fee: None	Period 3	Session 1: June 3 – June 28
Grades 3-6	Material Fee: None	Period 4	Session 2: July 8 – July 26

ALL WITH A BALL

This is just the class for you if you love playing with balls. You will learn games you didn't even know. And...all with a ball!

Grades 3-6	Material Fee: None	Period 3	Session 2: July 8 – July 26
-------------------	---------------------------	-----------------	------------------------------------

AMERICAN GIRL

This class has been enjoyed by many students! The class will use historical fiction, activities, and video to recreate the life of an original American Girl. The class will work with the original dolls, learn the significance of their outfits, and learn about the historic period in which they lived while having lots of fun. If you have already taken this class in the past two years and want to retake it, go ahead as the focus will be on a different American Girl Character. Of course, any dolls are welcome to attend class. The fun always ends with a fancy tea party as well so be prepared.

Grades 3-6	Material Fee: \$5.00	Period 2	Session 1: June 3 – June 28
-------------------	-----------------------------	-----------------	------------------------------------

ANIMAL ADVENTURES

Come explore the amazing world of animals! Discover interesting and amazing animal facts, make animal crafts and learn about animals far and near!

LEGO-MANIA

Do you enjoy building masterpieces with Legos? Do you enjoy having a daily challenge? Then this is where you should go to get your imagination going. The class will have daily challenges as well as group challenges. There will also be free time to let your imagination go.

Grades 1-5 **Material Fee: None** **Period 4** **Session 1: June 3 – June 28**

Grades 1-5 **Material Fee: None** **Period 3** **Session 2: July 8 – July 26**

MAD SCIENTIST

Students will get messy while investigating science! During this course, students will have fun while making discoveries and a mess! How can we make gummy bears grow? What is really in the ink in our markers? Why can we use lemons to make volcanoes? Can we walk on water? These questions and more will be answered. Some of the fun science experiments that will be completed: Mentos and Soda, Lemon Volcano, Oobleck, Rainbow Whirligig, Bouncing Bubbles, Name Crystals, Glitter Slime, Coffee Filter Chromatography, Growing Gummies, Lava Lamps.

Grades 4-6	Material Fee: \$15.00	Period 3	Session 2: July 8 – July 26
Grades 1-3	Material Fee: \$15.00	Period 4	Session 2: July 8 – July 26

MAGICAL MATH

Build your math skills for the upcoming school year. Whether math is your favorite subject or it causes you challenges, this class is for you. Come and work out the numbers and work your magic.

Grades 4-6	Material Fee: None	Period 2	Session 2: July 8 – July 26
-------------------	---------------------------	-----------------	------------------------------------

MATH MADNESS

Give yourself a boost in math. Learn strategies to help you make sense of numbers and math. This class will help build your math confidence.

Grades 2-5	Material Fee: None	Period 1	Session 1: June 3 – June 28
-------------------	---------------------------	-----------------	------------------------------------

MENTORING

Are you an older student and want something fun to do in the summer? Do you want to come to summer school to hang out, but do not want to take a certain class? Do you like helping others? Are you thinking of someday maybe being a teacher? Do you see a class that looks like fun but is not the right age group? This is your chance to help a teacher in the classroom. Students will get assigned to classes dependent on need. This class is not automatically assigned, approval by staff is needed prior to signing up.

Grades 7-12	Material Fee: None	Periods 1,2,3,4	Session 1: June 3 – June 28
Grades 7-12	Material Fee: None	Periods 1,2,3,4	Session 2: July 8 – July 26

MINDFULNESS

In this class students will perform a variety of mindful awareness exercises that will help the student to develop concentration and self-awareness. We will practice many different types of mindfulness including mindful movement, mindful seeing, mindful eating and mindful listening. Through this class the student will practice being in the present moment and living each day to the fullest.

Grades 1-6	Material Fee: None	Period 1	Session 2: July 8 – July 26
-------------------	---------------------------	-----------------	------------------------------------

MINECRAFT

Do you love playing Minecraft? Do you want to learn new things and share your knowledge and expertise with friends? This game provides so much more than gaming fun. Come and learn about the game and build your skills. Students should also have headphones for computer use.

Grades 1-6	Material Fee: None	Period 3	Session 1: June 3 – June 28
-------------------	---------------------------	-----------------	------------------------------------

MOVIE MADNESS

In this class we will select and watch age appropriate movies and do fun activities related to them. Grab your popcorn and enjoy the show!

Grades 2-6	Material Fee: \$2.00	Period 3	Session 1: June 3 – June 28
-------------------	-----------------------------	-----------------	------------------------------------

MUSICAL THEATER

Students will develop the necessary skills needed for success in the Musical Theater, including voice, acting and performance skills. Students will audition for a part, practice their part and perform their part during the culminating performance at the end of the session. The program is designed for individuals with varied levels of singing and movement ability.

Grades 1-12 **Material Fee: None** **Period 2** **Session 2: July 8 – July 26**

NUMBER GAMES GALORE!

Put your number sense to good work! The class will spend time learning new games and playing favorites during class. The class will play several games including Uno, Farkle, Math 24, Monopoly and more.

Grades 3-6 **Material Fee: None** **Period 2** **Session 1: June 3 – June 28**

OUTDOOR GAMES

There are so many games you can play. Do you get bored playing the same old game over and over? Come learn new outdoor games and play old favorites.

Grades 3-6 **Material Fee: None** **Period 4** **Session 1: June 3 – June 28**

OUTDOOR RECREATION

Do you like spending time outside participating and learning fun and new activities? Consider giving Outdoor Rec a try! This class is designed to get kids moving outdoors and will incorporate units like kayaking, archery, orienteering, geocaching, and more! All skill levels are welcome, so come and join in on the fun!

Grades 6-12 **Material Fee: None** **Periods 3-4** **Session 1: June 3 – June 28**

PAPER CRAFTS

Do you like to create projects using paper? If so, this is the class for you. We will use many different kinds of paper to create projects where you can put your creativity to work! Some projects will be: name pennant, paper spinner, paper flowers, paper animals, a father's day card and much more!

Grades 1-3 **Material Fee: \$5.00** **Period 4** **Session 1: June 3 – June 28**

PERLER BEADS, PUZZLES, AND OTHER FUN CRAFTS

Come and make as many perler bead creations that you can think of! If you want a break from perlers, we will be working on puzzles of all kinds and plenty of other crafts to keep busy with.

Grades 1-6 **Material Fee: \$5.00** **Period 1** **Session 2: July 8 – July 26**

PIXAR PARTY

Pixar movies are a favorite of many. Bring your popcorn and watch some Pixar films and then do some fun activities related to the movies.

Grades 1-6 **Material Fee: \$2.00** **Period 2** **Session 2: July 8 – July 26**

PLAY-DOH CREATIONS

Create, play, and build with Play-Doh. Let your imagination soar as you create fun pieces and play with the greatest stuff invented!

Grades 1-5 **Material Fee: None** **Period 3** **Session 1: June 3 – June 28**

PLAYGROUND GAMES

Do you love to play games on the playground? Do you want to learn new games to play during recess? This class will play all of your favorites and introduce you to some new games. This class will be full of fun and friends!

Grades 1-6 **Material Fee: None** **Period 1** **Session 2: July 8 – July 26**

RADICAL READING

Do you love to read? Is one of your favorite things to do is grab a book and get lost in an adventure? This class will help you continue that love of reading and help you refine your reading skills to take you to the next level. This class is for all levels of readers and will help readers find a book to fall in love with.

Grades 2-6	Material Fee: None	Period 3	Session 1: June 3 – June 28
Grades 2-6	Material Fee: None	Period 3	Session 2: July 8 – July 26

READING INTERVENTION (Teacher Recommendation Only)

Students will receive a referral for specialized summer instruction from the District Reading Specialist. The time spent will focus on skills specific to your child. Children will work to keep the gains they have made and learn new things!

Grades 5K-6	Material Fee: None		Session 2: July 8 – July 26
--------------------	---------------------------	--	------------------------------------

ROLLERBLADING

This class will always take place in the gymnasium and will allow students to begin, improve, and master the skill of rollerblading. Students will start in the gym and move outside as well. Students will go on adventures and play games. Rollerblades and safety equipment will be provided for students that do not have their own, but due to limited quantities of rollerblades in sizes 2 through 3, if possible, please provide your own.

Grades 1-3	Material Fee: None	Period 4	Session 2: July 8 – July 26
Grades 4-6	Material Fee: None	Period 2	Session 2: July 8 – July 26

SEW MUCH FUN

Have you always wanted to know how to sew? In this class you will learn the basics of sewing by hand and by machine. You will pick a project to make, some suggestions are: pillowcase, pajama pants, small purse or bag, etc. Use your creativity while learning to sew!

Grades 4-6	Material Fee: \$20.00	Periods 2-3	Session 1: June 3 – June 28
-------------------	------------------------------	--------------------	------------------------------------

SNACK ATTACK

Learn how to make simple snacks. You will learn to use various ingredients along with kitchen tools. Older students will also learn to use the stove top, oven, microwave, and other cooking appliances. Younger students will focus on kitchen safety and learning to make snacks without cooking. This class will provide you safety in the kitchen as well as delicious snacks that you can enjoy at home, anytime!

Grades 4-8	Material Fee: \$20.00	Period 3	Session 1: June 3 – June 28
Grades 1-3	Material Fee: \$20.00	Period 4	Session 1: June 3 – June 28

STEM FUN

Anytime is the right time to explore STEM (Science, Technology, Engineering, Math). Explore favorite experiments, engineering challenges and demonstrations with fun hands-on STEM activities.

Grades 2-6	Material Fee: None	Period 2	Session 1: June 3 – June 28
-------------------	---------------------------	-----------------	------------------------------------

STEM ROLLERCOASTER

What is more exciting than roller coasters? Not much! While having fun, you will learn about force, motion, engineering design, graphing, analyzing data, and more! You will be working in "Design Teams" to complete many exciting and educational phases of the Roller Coaster!

Grades 4-6	Material Fee: \$10.00	Period 2	Session 2: July 8 – July 26
-------------------	------------------------------	-----------------	------------------------------------

STORY INSPIRED ART

We will begin each class with a story or an artistic demonstration. The story/lesson will help to create inspiration, direction, and creativity for each child's artistic endeavor. In this class the students will create arts and crafts.

Grades 1-3	Material Fee: \$8.00	Period 1	Session 1: June 3 – June 28
-------------------	-----------------------------	-----------------	------------------------------------

STORYBOOK ADVENTURES

Bring some of our favorite stories to life in Storybook Adventures. Each of our stories is accompanied by crafts and activities to make reading together a hands-on experience.

Grades 1-3 **Material Fee: \$3.00** **Period 1** **Session 2: July 8 – July 26**

STORYBOOK CHARACTER CHAOS

Each day we will talk and learn about a different character that we all love. Join the chaotic character adventure and enjoy their stories along the way!

Grades 1-3 **Material Fee: \$3.00** **Period 4** **Session 1: June 3 – June 28**

STRENGTH AND CONDITIONING

This class is designed to get students comfortable working hard in the fitness center. Students will be challenged to improve their strength, flexibility, and endurance through a variety of workouts. Students will be able to participate in a workout that is provided for them and have the opportunity to create their own workout plan. All ability levels are welcome!

Grades 7-12 **Material Fee: None** **Period 1-2** **Session 1: June 3 – June 28**

Grades 7-12 **Material Fee: None** **Period 1-2** **Session 2: July 8 – July 26**

SURVIVAL SKILLS

There are several skills that would help you on a wilderness adventure. Learning important skills such as knot tying, fly tying, first aid, cooking and other skills can help make some outdoor adventures a reality. Come and learn and practice these skills.

Grades 4-8 **Material Fee: \$3.00** **Period 4** **Session 1: June 3 – June 28**

TRASH TO TREASURE

Explore, build, and test how to build structures and creations. You will use junk to create amazing things. For some, you will use your creativity and for others, you will follow directions to achieve a goal. How do you reuse junk to create something new? Students signed up for this class should bring 5 glue sticks along the first day!

Grades 3-6 **Material Fee: None** **Period 4** **Session 1: June 3 – June 28**

WELCOME TO 4-YEAR-OLD KINDERGARTEN *(Child must be four years old before September 1, 2024.)*

This class is for students who will be entering four-year-old Kindergarten in the fall of 2024. Students will prepare for four-year-old Kindergarten by becoming familiar with the school and enjoying various discovery experiences including circle time, music, readiness skills (numbers, letters, colors, shapes), responding to books, creative play, art projects and more.

Grade: 4K (Fall 2024) **Material Fee: \$5.00** **Periods 1 through 4** **Session 1: June 3 – June 28**

WELCOME TO 5-YEAR-OLD KINDERGARTEN *(Child must be five years old before September 1, 2024.)*

This class is for students who will be entering five-year-old Kindergarten in the fall of 2024. Students will prepare for five-year-old Kindergarten by enjoying various experiences including stories, fun songs, art activities and games. Students will have the chance to play outside and will learn needed skills to have a successful start to Kindergarten.

Grade: 5K (Fall 2024) **Material Fee: \$5.00** **Periods 1 through 4** **Session 1: June 3 – June 28**

WELCOME TO FIRST GRADE

Jumping from 5K to First Grade can be a big leap. This class will get students ready for their new adventures in first grade.

Grade 1 **Material Fee: None** **Periods 1-2** **Session 1: June 3 – June 28**

WET AND WILD OUTDOOR FUN

If you are looking for summer fun, then this is the class for you! Water balloons, slip and slides, yard games, kickball, anything you can think of that is wet and/or wild is an option for this exciting class!

Grades 1-3

Material Fee: None

Period 3

Session 2: July 8 – July 26

Grades 4-6

Material Fee: None

Period 4

Session 2: July 8 – July 26

YARD GAMES

Outside in July sounds awesome. The warmth and sunshine will be great and so will the games that we play. Corn hole, ladder ball, lawn darts and dice, and other fun activities. If you like to play these games, then come on out and have some fun!

Grades 3-6

Material Fee: None

Period 4

Session 2: July 8 – July 26

YOGA AND OUTDOOR RELAXATION

Learn yoga this summer! Learn the basics of yoga postures, movement and breathing, and also learn how yoga and meditation can help calm the mind. This class provides a complete workout for young bodies to help develop flexibility, balance and coordination. Students will also enjoy time in nature and take their new Yoga skills outdoors to relax.

Grades 1-6

Material Fee: None

Period 2

Session 1: June 3 – June 28
