2023-2024 School Year:

Wow, here we are about to start a new school year. We hope that everyone is enjoying their summer, and that you are as excited as we are to start this New Year!

A very warm welcome to those new students joining our Hustisford family. We are looking forward to getting to know you all, and welcome back to all our returning families. We have missed everyone. Please make sure to stop by in the mornings for a warm, nutritious breakfast served daily before school. We will continue to offer PB & J as 2nd option, this selection will need to be made in the morning during lunch count at both JHE and the High School. A fresh garden bar is offered daily at both schools as well. We are working hard to bring some more options to our students this year!

You will be able to access our monthly menus for both Breakfast and Lunch on the School Website per usual. Please remember that there are still nationwide manufacturing shortages and that supplies may be unavailable. Any changes to our menus will be communicated as quickly as possible.

We will continue to offer grab n go options at the High School. Please be sure to submit a written request if you prefer your student not be allowed to purchase any extras. We will also continue to offer a to-go lunch to our seniors that leave campus for lunch. There is an additional \$ 0.25 charge for this. All students will need to sign up at the Café' by 8:30AM in order to ensure their lunch will be waiting for them.

All student food service accounts must have a positive account balance and need to be paid up throughout the year. If the account is negative no purchases will be allowed until payment is received. There is the option to pay on-line as well.

Please reference our School Board Policy for Food Services for further information on accounts.

We are looking forward to a Happy and Healthy school year. As always menu suggestions are appreciated and will be taken into consideration when planning the monthly meals. . Please feel free to contact your Food Service Director, Devan Riley at ext. 228 with any questions or concerns in reference to Food Service.

See you all soon, and as always it's a great day to be a Falcon!

Respectfully yours,

Hustisford Food Service Staff
