#STRONGERTOGETHER

### Dear Families,

I would like to take this time to introduce myself to you all. My name is Jason Fiacco and it is an honor being named the new Head Football Coach at Husticon. I am excited for the opportunity to continue building this team into a program that everyone is proud to be apart of. I would like to use this opportunity to briefly outline our program coaching philosophies.

The mission of Husticon football is to build a program that excels on the field, achieves in the classroom, and positively impacts our school and community. It is our goal to create a family atmosphere that inspires a growth mindset, transforming our athletes into the best version of themselves. Our core values will help us accomplish our goals. Husticon Program Values:

- Committed Preparation
- Relentless Effort
- True Toughness

We will emphasis the "work phase" in all aspects of our program. We will expect to win games based on the time, energy and effort we have sacrificed during the off-season and throughout practice.
