## Classroom Spotlights

On Monday November 18, 2024, seven members of the Hustisford High School Choir attended the Trailways Conference Honors Choir at Pardeeville High School. The director for the day was Mr. Anthony Cao from Madison West High School. The students spent the day working hard rehearsing their songs and preparing for their performance that evening. The students did a fabulous job and represented Hustisford School District very well!! Students who attended the Honors Choir this year were: Alicia Bykowski, Ruthie Shotton, Aubrey Fetzer, Madison Fetzer, Mimi Zamora, Kiera Leinen and Layla Thimm.

### Time of Sharing and Giving!

Computer Literacy and Computer Concepts learned that presentations can become interactive to help engage the audience. Each student created slides using the National Geographic Fun Facts. Each slide provides a question or choice about a topic and pauses for the audience to guess; once hitting the spacebar or mouse button the answer appears in various ways. A collection of slides was shared with John Hustis Elementary School to show the creativity that can be done within Google Slides.

Web Page Design has created their first website using Google Sites. We are also learning how to use Canva tools to make social media posts and digital products that can be sold online. With the holidays approaching, students in Web Page Design will be creating coloring pages to share with the primary grades at John Hustis Elementary School.

## Educator of the Month

Dawn Wohling was selected to be the Educator of the Month for her never-ending passion to make JHE and the Jr. / Sr. High School the best she can. Her 31-year dedication to the students and the Music department at Hustisford has no end. Dawn is always looking for

ways to make her classroom a safe space for all of her students. Her dedication to mindful activities expresses her desire to help students become the best versions of themselves. It is always a pleasure to see how far she helps students achieve at high levels musically. Dawn is the perfect example of the great teachers we have in this district.

## Students of the Month

*Each month the Jr. / Sr. High School staff select one student that exemplifies the Falcon Way and growth. The students and a description of why they were selected is presented each month to the school board.*

**Rosa Dominguez** is an exceptional student at Hustisford High School, and it has been a privilege to witness her growth both academically and personally. Over the years, Rosa has transformed from a quiet, reserved individual into a confident and inspiring leader, demonstrating independence in her

thoughts and actions. She actively contributes to her class, taking the lead in organizing Homecoming activities, managing concessions, and driving key decisions. We are excited to see her continue to develop her leadership skills, knowing she will achieve remarkable success for our school and in her future endeavors.

**Alana Sperla** is consistently kind and considerate toward both her teachers and peers. She actively participates in class, always putting forth great effort to understand the material. Her dedication to learning is clear, as she works diligently to grasp new concepts. Additionally, Alana is making noticeable

progress in advocating for herself, seeking help when needed, which is a vital skill for her continued growth. Keep up the fantastic work, Alana!
