## Classroom Spotlights

Mr. Jacquart's careers class is bringing in local companies to speak to students about job opportunities, types of industries in the area, and what it takes to be a good employee. Pictured is Ashley Billings from Menards Distribution giving the students a practice truss to put together. In the previous week School Nurse Katie Bortz covered many nursing jobs and her experiences with those jobs.

Integrated Physics and Chemistry (IPC) students have been busy learning about different topics through the lens of chemistry, physics and earth science. In the last unit, students investigate water and how its properties lend to life on earth as well as all the incredible things it can do! After a brief refresher on the scientific method, students are starting to learn about chemical reactions. To do so, they had to understand bonding. One useful application of metallic bonding is the creation of special mixtures called "alloys". Students made brass by using pennies, zinc, and heat. First, they made "silver" pennies and then they turned them into "gold", just as the alchemists of the middle ages. Would the gold or silver pennies fool you?

## Staff Member of the Month

**Tami Jaeck** was selected as the February Educator of the Month. In her first year at Hustisford Mrs. Jaeck has made a tremendous impact in the classroom and school. She has revitalized the Business Department with her instruction, new classes, and dual credit options for students. She works very hard to provide students with real world applications and meaningful lessons.

Mrs. Jaeck has also been a huge contributor to the Academic and Career Planning team. We could not be happier with what she has brought to this school and the students of Hustisford.

## Students of the Month

*Each month the Jr. / Sr. High School staff select one student that exemplifies the Falcon Way and growth. The students and a description of why they were selected is presented each month to the school board.*

**Kolton Stark** has grown up to be a significant leader. He uses those leadership skills to help others in the classroom, as well as part of the Hustisford FFA Officer Team. Kolton has encouraged students to use their class time wisely as well as made efforts to include other students in classroom

activities and extracurricular events. He has taken ownership in his work and advocates when he needs help. We are very proud of the young man that Kolton is turning into.

**Allie Kulkee** is a consistent positive presence in the Middle School. She routinely demonstrates leadership qualities within the classroom by being a role model to all students in the building. Her positivity and humor make her a great classmate.

Allie strives to take ownership of her learning by asking questions, completing her work responsibly, and sharing her knowledge with others. The teachers that work with Allie take notice of her hard work and dedication. Keep up the good work!

## Club Corner

**FFA** - National FFA Week is February 17-24th.

Dress Up Days:

- Tues: Blue/Yellow/FFA Apparel
- Wed: Blaze Orange or Camo
- Thurs: U.S.A
- Fri: Flannel/Farmer

The March meeting of the Hustisford FFA will be Monday March 11th at 3:15 in Ms Essock's room. Fruit Sale delivery will take place Tuesday March 12th. The South Central CDE Contest is Friday March 15th. Students must have completed a leadership activity to participate. The Awards Banquet will be Sunday April 7th.

**Forensics** - Four of our seniors competed at the Conference Forensics Meet on Monday, February 5 at Deerfield High School. Erin Lenhardt competed in Oratory taking first place and bringing home a conference medal. Ben Lindstrom competed in Prose earning a red ribbon. Kayla Millikin competed in Poetry earning a red ribbon. Autumn Rennhack competed in Poetry for the first time and did well in a category with a lot of competition. All 4 students advanced during their sub-district meet on Monday, February 19, at Dodgeland. This will be followed by District on Monday, March 11 at DeForest High School. If they advance through District, they will be going to state at UW-Madison on Saturday, April 20.

**Student Council** - High school student council will be collaborating with middle school student council with a drive to collect supplies for the Dodge County Humane Society and will be working on making blankets for the dogs. The drive will take place in March.

**Yearbook** - Jr/Sr High Yearbooks are on sale for \$60. You can order through their [website](#) or by dropping off a completed form with the payment at the HS office. If you have any pictures you'd like to submit to the yearbook, you can use the following [Link](#). If prompted for an ID please use ID #: 0Us9\_\_hk1hFF-LjuwGAbQkQ. We are looking for more middle school sports pictures!

### Attention Husty 6-12th Graders!

Do you need...caring motivators? ... extra space to spread out? ... a place to work on a group project? ... some extra educational support? ... a calm place to work? If any of these apply to you, check out HOMEWORK HANGOUT! Mondays, Tuesdays, and Thursdays from 3:15- 4:00 p.m. in the Library with Miss Spanish and Mrs. Maas.

# Opportunity Recap

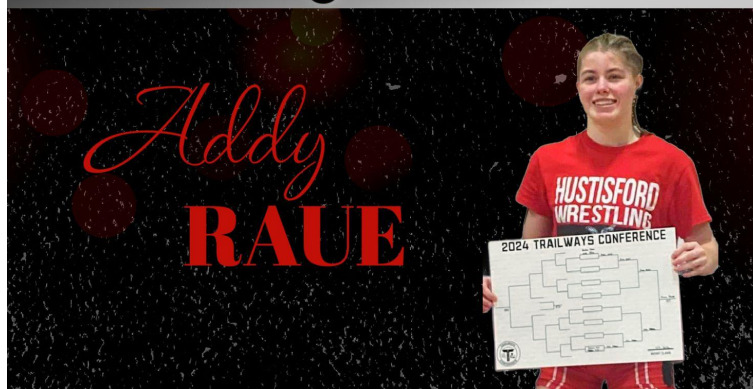

On February 7th, 3 high school band students traveled to Edgerton to perform with the top musicians from across the Trailways South Conference. In total, ten schools were present and represented by 75 students. These students were selected in November, and received their music in December. In total, they performed 35 minutes of music across four intricate song selections. They did an amazing job performing and representing the Hustisford Band Program! The musicians were three seniors: Autumn on horn, Noah on trumpet, and Izzy on tenor saxophone.

On Saturday, February 17th, 39 students made their way to Deerfield for District Solo Ensemble for 33 events. Be sure to check out the March Newsletter to see results and the fun we will have for Music in Our Schools Month!

## HUSTISFORD WRESTLING STATE QUALIFIERS

## Falcon Future Talks

A very big thank you to these four individuals that came in to discuss career pathways with our students during our Wednesday Academic and Career Planning period. Falcon Future Talks occur once a month with four different career fields presented to the students. Students have the opportunity to select which presenter they would like to attend. If you would like to participate in showcasing your field to our students, please contact Clint Bushey at (920) 349-3261 or email [busheyc@hustisford.k12.wi.us](mailto:busheyc@hustisford.k12.wi.us).

- Mackenzie Katsma** - Walmart Distribution
- Amy Hopfinger Strauss** - Real Estate Broker
- Joe Caine** - Caine Transfer/Warehousing/Petroleum
- Zachary Borzick** - Account Representative for Versiti

## Career Fair

Students and community members are invited to our **3rd Annual Career Fair on Wednesday, March 20th from 1:45 - 3:30 p.m.** in our high school gym. Our district strives to provide our students with meaningful experiences that will enhance their college and career readiness by providing them with the tools and pathways for their future. The Career Fair will offer students an opportunity to learn more about careers they might be interested in, and to showcase the resumes they have developed during our Academic and Career Planning activities.
