An Official Publication of the Hustisford School District

June 2019 Volume XL Issue 9

A Message from the Superintendent...

Congratulations to the Hustisford High School Class of 2019! It is such an amazing time of the year. This year the district graduated 41 students. Each of the students has left a piece of themselves here within the walls of the high school that we will remember for years to come. This class was full of life and energy. They will be missed by the other students and the faculty and administration within the district. I have heard many of them indicate how excited they are that they are moving on to new things, but I want to also remind them that there is always a place here for each of them. We wish them all the best of luck into the future whether they are attending college or technical school, entering the workforce, or making a decision to serve our country. They have made us proud as a district and we are eager to see where they go!

The remaining students are excited for the summer break that lies ahead. Some are ready for a summer of relaxation and spending time with family and friends, others are ready to earn money working a summer job, and others are ready to come back for fun adventures in summer school. No matter what the plans are for the summer, we want to remind everyone to remain safe throughout the summer. We want the students to come back refreshed in the fall and ready for new learning adventures.

The summer is a very busy time for the school district. The maintenance and janitorial crew works hard to repair and prepare the schools. There are several projects that will be happening in both buildings. New doors are being installed at JHE. New bleachers and a floor refinish will be completed in the HS gym. Rooms are being painted. JHE is getting some new tile flooring. Routine maintenance will be completed in both buildings as well. The summer provides rejuvenation to the buildings as well. It is always exciting to watch the transformation throughout the summer.

Summer school began June 10 and the second session will begin on July 8. There are so many exciting classes being offered from art to cooking, reading and math, running games, and technology. It is imperative to keep kids in a routine and keep them engaged both physically and mentally. Children from our own district and others are welcome to attend. Any questions relating to summer school should be directed to the elementary office.

As we close out 2018-2019, I would like to take a moment to honor a teacher who is retiring from the Hustisford School District this year. Hank Isabelle has dedicated 40 years to our students at Hustisford High School. We wish him the

best of luck as he embarks upon a new chapter in his life. The district thanks him for his dedication to the students of our district. We also want to congratulate Deb Falkenthal and Sue Girtlen on their retirement. They have both served students in the offices whether it was for a report card, a band aid, or comfort when sick. They have dedicated time and energy to keeping the offices running efficiently. They will be missed by all of us as they both embark upon their new journey!

This summer the district will begin to engage a Citizen's Advisory Committee. This committee will be made up of citizens willing to engage in discussion about our facilities. The district recently finished a comprehensive facility study on both buildings. The committee will hear firsthand the information from that study. They will then work to formulate a plan for the district moving forward. We welcome you to attend the meetings to learn more about the state of our facilities and provide your input on the next steps the district should take. The first meeting will be held on Monday, July 8, 2019. The meeting will begin at 6 pm and be held in the HS library.

It has been a wonderful year in Hustisford; I want to personally thank the staff of the Hustisford School District for their hard work and dedication to our students. We have faced many challenges this year. The staff embraced the challenges and grew because of them. They come to work ready to teach each day and provide engaging opportunities for our students. I am honored to lead such a dedicated group of professionals. I also want to thank the students. The enthusiasm for learning and the drive for success that is seen are unwavering. As I have said every month and will continue to say, "It is a great day to be a Falcon!" # HUSTY PROUD!

Sincerely,

Heather J. Cramer

**Greetings from Jr./Sr. High School Principal
Mr. Clint Bushey**

Congratulations to Sydney Stigler, the Class of 2019 Valedictorian. Congratulations to Sophia Hamdan, the Class of 2019 Salutatorian. These two students are excellent examples of hard work, dedication, and a passion for learning. And lastly congratulations to all 2019 Seniors. Each of them has a very bright future ahead.

I hope you are having a wonderful summer so far! It is my sincere wish that you and your family have time to enjoy all our great area and state has to offer.

While not all students are present during the summer many have taken advantage of the programs we do offer. It is great to see students excited to come into school during this time to explore and experience new things. The Teachers have worked very hard to make this an enjoyable and great experience for all that participate. By the look of the students, their work is paying off. These summer school classes will surely provide the students with lasting memories.

This is additionally an exciting time of the year for the administration team. This period of time in the year gives us an opportunity to plan and organize for the upcoming school year. I greatly appreciate the time to focus on how we can make this school the best it can be for all students, parents, and community members. I am very excited to see how these changes will impact the great students of our district.

The Hustisford School District website has the 2019-2020 school calendar posted along with some upcoming events. Please visit this resource to find out more important information.

Registration for the 2019-2020 school year will be held on August 22nd from 12:00 p.m. to 7:00 p.m. and August 27th from 12:00 p.m. to 7:00 p.m. While registering from 4:30 p.m. to 7:00 p.m. on the 22nd please take advantage of the Community Fair which showcases many wonderful things our community and area have to offer. On August 28th from 4:00 p.m. to 6:00 p.m. please stop in to visit the staff during the districts' Open House.

Enjoy the rest of your summer.

**Athletic Code Meeting for the 2019-2020 School Year

**John Hustis Elementary Update
By Margaret Bell - Principal**

Summer School is off to a great start! The hallways are filled with students laughing, playing, learning, growing, and making new friends. This is a special place in the summer. Thank you to all the families joining us this year, we truly enjoy our summer school program, and we are glad you do too!

The students worked very hard to raise funds for a new sound system for our assemblies. I am happy to report the new sound system arrived! It looks and sounds great and we look forward to showing it off to the kids on the first day of school. Thank you to everyone in our JHE family for your help to make this happen!

Dates to Remember:

Summer School session 1: June 10-28

JHE is closed the week of July 4th

Summer School session 2: July 8-26

August 22: Registration 12:00-7:00pm @JHE

Community Watch!

Taking care of your community...

COMMUNITY WATCH... WE CARE

“You are the community. Help out your family, friends, and neighbors by reporting any suspicious activity in your neighborhood or any information on any illegal activity that may have happened. Contact the Hustisford Police Department by logging onto HustisfordPD.com, or by calling (920) 349-3122, or in the event of an emergency always dial 911” If you ever have any questions, please contact any Police Officer, Sergeant or Chief.

Thank You!

We would like to thank you for your support of our schools! Keep watching this newsletter to see what is happening in the school and in our community!

Non-Discrimination Statement

The Hustisford School District does not discriminate on the basis of age, race, color, sex, national origin, ancestry, religion, creed, pregnancy, marital or parental status, gender, sexual orientation (including transgender status, change of sex or gender identity), homelessness status, physical, emotional, or learning disability/handicap, in its curricular, career and technical education programs, co-curricular programs, student services, recreational or other programs and activities, or in admissions or access to programs or activities offered by the school district.

All career and technical education opportunities are offered on a nondiscriminatory basis and are open to all students in the Hustisford School District. These programs include offerings in business education, technical education, and family and consumer education.

The Hustisford School District will make reasonable accommodation of a student’s sincerely held religious beliefs with regard to academic requirements. The Superintendent of Schools may be contacted regarding non-discrimination issues. He/she can be reached at: Superintendent of Schools, Hustisford School District, 845 South Lake Street, Hustisford, WI 53034 (920-349-8109). (School Board Policies - 1422, 2260, 3122, & 4122)
