Classroom Spotlights

Vet Science students have been busy performing physical exams on Ms. Novak's dog, Cia. Animal Production is building animal facility dioramas. Food Science students are getting ready to make their final recipes for their final project.

Advanced Composition students explored ideas about censorship and technology use while reading *Fahrenheit 451*. They debated which theme was more prevalent in the book. English 11 students explored how to use different types of media to publish their work. They learned how to interview someone and created a *Humans of Husty* podcast episode. The class then practiced how to write a review using their classmates' recorded episodes. English 10 wrote argumentative letters using a children's book for inspiration. They had to write from the antagonist's perspective arguing against being punished for their actions in the book. English 9 students explored their creativity while writing their own locked room murder mysteries. They used the book read in class as inspiration for how to weave together their clues to not give away the murderer before the ending.

Important Information

- Go to [this link](#) for information on how to be able to watch sporting events online through NFHS.
- Reminder - Daily Announcements are posted on the [School District Website](#).

Trivia

According to meteorologists, a seven-day forecast is fairly accurate about WHAT PERCENT of the time?

- a) 50% b) 60%
c) 80% d) 90%

Answer: c

Students of the Month

Each month the Jr. / Sr. High School staff select one student that exemplifies the Falcon Way and growth. The students and a description of why they were selected is presented each month to the school board.

There are so many things that we can say about Madeline Maas. Maddy is a phenomenal example of the very best qualities of a high school student, exhibiting unwavering dedication and character. Not only is Maddy a leader in name, but her actions speak even louder. Whether Maddy

is being an outward leader, accepting leadership roles in her class, student council, and FFA, or she is being a leader by example, quietly encouraging others to do what is needed, Maddy handles all of these responsibilities with enthusiasm, determination, and grace. Even though her peers may think that Maddy's successes are effortless, the amount of work and time that goes into her achievements do not go unnoticed by the staff of this school. Additionally, she shows her appreciation and value in education on a daily basis by her words and deeds. Maddy is an asset to our community and a wonderful example of what it is to be #HustyProud.

Jameson Margelofsky has shown incredible growth and determination over the first semester of the school year. Jameson consistently asks for help when he needs it and works hard to make improvements on his assignments. His willingness to advocate for himself should be inspiring to his classmates.

Jameson demonstrates leadership by supporting classmates and shows kindness to others. Jameson's effort, kindness, and willingness to improve make him a great asset to our school community.

Club Corner

Student Council will be having a blood drive at the High School on January 29th. All donors will receive a hat, a free admiral ticket and if you have O type blood they will give you a \$20 e-gift card. Donating will also help the student council reach their goal of getting scholarship money for one of our members. Please consider signing up with the QR code and help fill the bank to save some lives!

Thank you to everyone who supported the FFA during the fruit, meat, and cheese sale.

Hustisford is joining Dodgeland in putting on *Cinderella*! The students cast are already hard at work practicing their singing and dancing for the stage. The show will be at Dodgeland High School on March 14 and 15. Tickets are \$4.00 for students and \$8.00 for adults.

Yearbook - Jr/Sr High Yearbooks are on sale for \$65. You can order through their [website](#) or by dropping off a completed form with the payment at the HS office. If you have any pictures you'd like to submit to the yearbook, you can use this [Link](#). We are still in need of pictures from the Homecoming Dance!

Attention Husty 6-12th Graders!

Do you need...caring motivators? ... extra space to spread out? ... a place to work on a group project? ... some extra educational support? ... a calm place to work? If any of these apply to you, check out HOMEWORK HANGOUT! Mondays, Tuesdays, and Thursdays from 3:15- 4:00 p.m. in either Miss Spanish's or Mrs. Maas's room.

Opportunity Recap

The Hustisford Music Department was very busy in the month of December. The band and choir students had several performances throughout the month. They had their annual Winter Concert on December 17th at the high school and did an amazing job. The songs were well received and the audience loved the variety of songs that the ensembles had to offer. They took a trip and did some caroling at the Hustisford State Bank. They enjoyed it so much that they are planning to do it again next year and would like to see if they could perform in some other venues. The students are now busy preparing for their solo and ensemble performances in February and their clinic festivals in March!

On December 19 the Driver's Education class was given a presentation on work zone and winter time driving responsibilities. Nate Minning from the Dodge County Highway Department gave a powerpoint presentation then took the class outside to see one of the plow trucks up close and talk to driver, Brad Anderson about the operations of the truck. Ironically enough that was the same day as our snow storm which really helped ingrain the lesson of buckle up, stay 200 feet back from a plow truck, and have patience.

Falcon Future Talks

A very big thank you to these six individuals that came in to discuss career pathways with our students during our Wednesday Academic and Career Planning period. Falcon Future Talks occur once a month with four different career fields presented to the students. Students have the opportunity to select which presenter they would like to attend. So far, we have been very fortunate to have over 68 professionals come in to speak to our students. If you would like to participate in showcasing your field to our students, please contact Clint Bushey at (920) 349-3261 or email busheyc@hustisford.k12.wi.us

- On Wednesday, January 22nd, these individuals presented to our students during Falcon Future Talks. Thanks to these individuals for giving up their time and sharing their careers with our students.
 - o Karl Hundt - Ag Seeds, Ag Machine, Farming
 - o Bradley Kulibert - Dodge County Sheriff Cadet Program
 - o Sandy Botham - Moraine Park Technical College
 - o Ashley Billings - Menards Distribution
