Curriculum and Technology Committee Minutes of Wednesday, July 7, 2021

The **Curriculum and Technology Committee** of the Hustisford School District Board of Education met on Wednesday, July 7, 2021 at 5:00 p.m., in the office conference room at Hustisford High School, 845 South Lake Street, Hustisford, WI 53034

Present: Steve Weinheimer, member via phone in; Heather Cramer, Superintendent

New Business:

- Summer School 2021—Mrs. Cramer updated the committee on the numbers for summer school. She said that numbers were similar to session 1. The district is pleased with the second session count. There are classes going on in both buildings still.
- Summer Technology Planning—Mrs. Cramer updated that the summer tech help is going well and that they are working on updating computers and getting the new computers in for set up. The devices are coming into the district. Mr. Miller had to get all devices set up for summer school.
- Kids Club—Mrs. Cramer discussed the hiring process for Kid's Club and sought input from the committee. She also discussed the Kid's Club handbook with the committee.
- HS/MS Handbook--Tabled
- Athletic Code Handbook—Mrs. Cramer updated the committee with the one change in the handbook for next year in regards to academic ineligibility and when it begins following a grading period. The change was made for clarification purposes.
- Technology Updates—Mr. Miller was on vacation and not able to attend the meeting for updates.
- Science Update—Mrs. Cramer updated the committee on a new science elective for the HS, Geology. The class is offered every other year to expand the science offerings for HS students.
