New Business:

- Update from Fred Miller-Director of Technology –Mr. Miller updated the committee on the various projects that will be worked on over the summer. He will be completing the server update. He will also be completing a telephone software update. iPads for JHE will be ordered and they will be ready over the summer. He received information that ERate funding for our internet connection was approved. He updated the committee on the test prep that had been done over the past several months. He also indicated that he would like to find a student to provide assistance for 2-3 days per week for the summer, just as he had last summer.
- Laser Cutter Purchase for Tech. Ed.—Mrs. Cramer updated the committee on the purchase of a laser cutter for teach. Ed. Through the Rural Schools Grant. The committee recommended moving the purchase forward to the May agenda.
- Science Lab Smart Board and Inspection—Mrs. Cramer updated the committee on the need for a Smartboard in the HS Science lab. She also indicated that she will be pursuing an outside lab safety check in order to ensure that all lab equipment is in working order.
- Laptop Cart Computer Replacement Plan—Mr. Miller updated the Committee on the need to update three laptop carts within the district. It is recommended to start with a purchase of 27 computers and continue with a plan moving forward.
- Summer Technology Plan—Mr. Miller provided this information in his technology update.
- Math Update—Mr. Haan talked with Mrs. Cramer about the need to update texts in Pre-Calculus and Calculus. These texts were not updated with the math curricular update. The books were all found used on Amazon. Mrs. Cramer updated that the books were being purchased through the used sites and ranged from \$10-\$25 apiece.
