## Trivia

A rare U.S. WHAT missing its mint mark was auctioned for \$506,250, nearly 250 times the amount it sold for 46 years earlier?

- |           |            |
|-----------|------------|
| a ) Penny | b) Nickel  |
| c) Dime   | d) Quarter |

Answer: c

## Classroom Spotlights

Chemistry is now offered as a Dual Credit course through Moraine Park Technical College! This means that students are taking their first semester of college-level Chemistry as a Hustisford high school student. When successful, they will earn 4 credits on an MPTC transcript that can be transferred to most Wisconsin public and private universities, eliminating the need to take the course in college.

The Spanish 3 class was able to go over to John Hustis Elementary to teach the Spanish alphabet and some color words to the kindergarten students in Mrs. Wohling's music class. Everyone enjoyed singing and sharing with one another and there was even some dancing at the end.

Husty Junior High and High School music students have been working hard to prepare for their upcoming winter performance! Choir and band students have been spending time learning their parts and working together to create beautiful music. We are excited to share new songs as well as some holiday favorites with the community! The Hustisford Bands and Choirs Holiday Concert will be on December 17th at 7:30pm in the High School Gym. We hope to see you there!

## Important Information

- Go to [this link](#) for information on how to be able to watch sporting events online through NFHS.
- Don't forget to sign up for Device Coverage for your child's computer. Information to sign up can be found [here](#). **TIME IS RUNNING OUT TO ENROLL** The last day to enroll is December 20th.
- Reminder - Daily Announcements are posted on the [School District Website](#).

Middle and high school students created a collaborative art project around words that reminded them of a veteran. Some of the qualities used to describe them were bravery, sacrifice, and honor. They wrote these words on colored pieces of paper that were arranged to form a large, impactful American flag displayed during the Veterans Day assembly. The project not only celebrated the spirit of Veterans, but also united the school community in a meaningful tribute to those who have served.

### **THANK YOU VETERANS!**

## Students of the Month

*Each month the Jr. / Sr. High School staff select one student that exemplifies the Falcon Way and growth.*

*The students and a description of why they were selected is presented each month to the school board.*

**Abigail Cookson** is the kind of student who always seems to have everything under control. Her assignments are consistently done on time, and she tackles every task with a focused yet upbeat attitude. No matter the challenge, she faces it with a smile and a positive energy that lifts everyone around her.

Whether she's offering encouragement and working with classmates through a tough lesson or simply sharing a laugh during a break, Abby's good mood is a constant presence. Her kindness and optimism not only make her a joy to be around but also inspire others to approach their work with the same enthusiasm and determination.

**Alex Dretske** has shown exceptional dedication, positivity, and hard work both inside and outside of the classroom. Alex is not only a dedicated student but also an enthusiastic learner, eager to take on new challenges and support others along the way. He is a wonderful role model to all his peers. Alex, your hard work does not go unnoticed!

# Club Corner

The Hustisford Chapter of the National Honor Society held its induction ceremony. Maddy Maas, daughter of Dean and Rhonda Maas was inducted.

To be qualified for induction, students must show how they exemplify the 4 pillars of NHS-scholarship (with a minimum cumulative GPA of 3.5), leadership, service, and character.

**Yearbook** - Jr/Sr High Yearbooks are on sale for \$65. You can order through their [website](#) or by dropping off a completed form with the payment at the HS office. If you have any pictures you'd like to submit to the yearbook, you can use this [Link](#). We are in need of pictures from the Homecoming Dance! We are always looking for more middle school sports pictures! Senior pictures and baby ads are due to Ms. Stewart by December 20.

### **Attention Husty 6-12th Graders!**

Do you need...caring motivators? ... extra space to spread out? ... a place to work on a group project? ... some extra educational support? ... a calm place to work? If any of these apply to you, check out **HOMEWORK HANGOUT!** Mondays, Tuesdays, and Thursdays from 3:15- 4:00 p.m. in either Miss Spanish's or Mrs. Maas's room.

# Falcon Future Talks

A very big thank you to these six individuals that came in to discuss career pathways with our students during our Wednesday Academic and Career Planning period. Falcon Future Talks occur once a month with four different career fields presented to the students. Students have the opportunity to select which presenter they would like to attend. So far, we have been very fortunate to have over 68 professionals come in to speak to our students. If you would like to participate in showcasing your field to our students, please contact Clint Bushey at (920) 349-3261 or email [busheyc@hustisford.k12.wi.us](mailto:busheyc@hustisford.k12.wi.us)

- On Wednesday, November 13th, these individuals presented to our students during Falcon Future Talks. Thanks to these individuals for giving up their time and sharing their careers with our students.
  - o Kate Klister and Phil Steinke from Max Weiss
  - o Hannah Cramer from a Landscape Architect / Designer company
  - o Jeff Vander Zanden and Courtney Humphries from Insight FS
  - o Tanya Lemke from Sinissippi Lake Pub
