## **Curriculum and Technology Committee Minutes of Tuesday, October 10, 2017**

The **Curriculum and Technology Committee** of the Hustisford School District Board of Education met on Tuesday, October 10, 2017, at 5:00 p.m., in the library/media center at Hustisford High School, 845 South Lake Street, Hustisford, WI 53034

**Present:** Barb May (Chair), Jay Behnke (board member), Heather Cramer, Superintendent; and Katie Powell, parent.

### Old Business:

- Update from Fred Miller—Director of Technology—Mr. Miller was not present for a report.
- Strategic Plan—Curricular Cycle—Mrs. Cramer reviewed the curricular cycle with the committee. She indicated that Social Studies will be the next curricular area to be reviewed.

### New Business:

- Parent Concern—Katie Powell brought concerns to the committee in regards to curriculum being used in the district. She inquired about the age of texts and the update cycle for curriculum across the district. Mrs. Cramer provided her answers to all of the questions that she asked. Questions were around a curricular cycle, budgeting of curricular materials, how areas of need are determined, and review teams.
- Agriculture Program—Mrs. Cramer updated the committee on the current status of the agriculture education program and addressed the committee on a plan moving forward.
- Technology Planning—Mrs. Cramer updated the committee on the need for a technology plan moving forward in the district. This is something that Mr. Miller will be working on.
- Software for Second Semester Photography Class—Mrs. Cramer provided quotes to the committee in regards to software needed for the digital photography class being offered second semester. A final decision will need to be made for board approval in December.
- Paraprofessional Training Software—Mrs. Cramer provided an update on the new professional development online program for educational assistants.
